WELLNESS POLICY

On June 30, 2004, Congress passed Section 204 of Public Law 108-265, of the Child Nutrition and WIC reauthorization Act of 2004. This law requires each local education agency participating in a program, authorized by the Richard B. Russell National School Lunch Act (42 USC 1751 et. seq.) or the Child Nutrition Act of 1966 (42 USC 1771 et. seq.), to establish a local school wellness policy by July 1, 2006. In 2010, additional requirements were set forth under Section 204 of Healthy, Hunger-Free Kids Act. This policy incorporates federal law as well as Chapter 5P-1.003(2)(d) of Florida Administrative Code (FAC).

POLICY

I. Philosophy and Commitment

~~The School Board of Okeechobee County believes that good health fosters student attendance and student achievement. The Board also believes that a healthy staff is a more effective staff and that healthy staff members can serve as role models for healthy lifestyles. The Board is, therefore, committed to provide school and worksite environments that promote and protect children's health, wellbeing, and ability to learn, as well as employees' health and wellbeing by promoting and supporting healthy eating, physical activity, and healthy lifestyles.~~ The Okeechobee County School District believes that a healthy school environment goes beyond the meals in the cafeteria. Maintaining a healthy lifestyle and weight require a combination of healthy food choices and an appropriate amount of physical activity. A healthy and physically active child is more likely to be academically successful. Children and youth who begin each day as healthy individuals can learn more and learn better and are more likely to complete their formal education. The District also believes that healthy employees can more effectively perform their assigned duties and model appropriate wellness behaviors for students. This policy encourages a holistic approach to staff and student wellness that is sensitive to individual and community needs. The District shall implement a multifaceted wellness program with the involvement of students, staff, families, and the community and encourage consideration of the District's wellness policy goals in planning all school activities.

A. Okeechobee County School District will assemble a representative wellness committee that will meet biannually to evaluate and set goals for the development, implementation and periodic review and update of its local school wellness policy.

1. The appointed District Administrator shall ensure overall compliance with the local school wellness policy.
2. Parents, students, representatives of the school food authority, teachers of physical education, school health professionals, the school board, school administrators and the general public shall be permitted to participate in the development, implementation and periodic review and update of the local school wellness policy.

- D. To schedule meals at appropriate times and allow a minimum of ten (10) minutes to eat breakfast and twenty (20) minutes to eat lunch after being seated.
- E. To ensure that a la carte items meet recommended nutritional standards and limit the portion size of foods and beverages that are sold individually.
- F. To establish guidelines for content and portion size of food and beverages in vending machines located at schools and at other worksites.
- G. To provide recommendations for snacks and foods used for rewards, celebration, and school sponsored events.
- H. To provide recommendations for any foods that are included in fund raising activities.
- I. To sponsor a year round nutrition program consistent with Florida Statutes.
- J. To incorporate nutrition education for students through a planned, sequential curriculum and a variety of classroom and lunchroom activities.
- K. To provide nutrition education for families through newsletters, parent meetings, and community activities.
- L. To provide staff development activities for school food service and all other employees.

III. Physical Activity Goals

III. Physical Education and Activity

Physical education and physical activity shall be an essential element of each school's instructional program. The program shall provide the opportunity for students to develop the skills, knowledge and attitudes necessary to participate in a lifetime of healthful physical activity. Physical education and activity will be provided by Board approved personnel.

- A. All elementary school students will have at least 20 minutes of daily recess. Each school will provide space, equipment and an environment conducive to safe and enjoyable play.
- B. Students will have additional opportunities for physical activity integrated into the overall school curriculum, as well as, through before and after school activities or other activity programs. Students will be encouraged to participate in community-offered fitness and athletic programs.
- A. To provide a physical and social environment that encourages safe and enjoyable activity for all students, including those who are not athletically gifted.
- B. To provide a physical education program that emphasizes physical fitness and healthy lifestyles and includes the development of positive attitudes toward wellness and physical activity, safety guidelines, responsible behavior in physical activity setting, appreciation for a variety of physical activities, and an understanding of the relationship between physical activity, wellness, and nutrition.
- C. To encourage physical activity during the recess period.
- D. To provide opportunities for physical activity during the school day in addition to scheduled physical education classes and to encourage and assist students to set personal fitness goals.
- E. To consider planning recess before lunch since research indicates that physical activity prior to lunch can increase nutrient intake and reduce food waste.
- F. To provide opportunities for physical activity in other subject area classes.
- G. To provide opportunities for physical activities for staff.
- H. To encourage parents to promote physical activity and to participate in physical activities with their children.

IV. Physical Education Program

The physical education program shall be designed to encourage physical activity and encourage healthy, active lifestyles. The program shall consist of physical activities that are sufficient to provide a significant health benefit to students, subject to the differing abilities of students.

- A. Requires each district school board to include the availability of one-on-one counseling concerning the benefits of physical education in their written physical education policy.

Proceeds from the sale of foods and beverage items during the school day shall accrue to the food service program or to a school organization approved by the School Board.

D. Free water must be made readily available to children during lunch.

E. School must offer fat-free or low-fat milk varieties.

F. Ensure students are offered both fruits and vegetables every day of the week. Substantially increasing offerings of whole grain rich foods.

G. Limit calories based on age of children being served to ensure proper portion size.

H. Increase focus on reducing the amounts of saturated fat, trans-fat and sodium.

I. Student will be provided adequate time to consume breakfast and lunch.

J. Fundraising

1. Fundraising efforts will be supportive of healthy eating by complying with all applicable regulations and nutrition standards for competitive foods while also emphasizing the sale of nonfood items.

2. Exempt fundraisers that include the sale of food items may not occur until thirty (30) minutes after the conclusion of the last designated meal service period.

3. The school board is permitted to grant a special exemption from the standards for competitive foods as specified below for the purpose of conducting infrequent school-sponsored fundraisers, not to exceed the following maximum number of school days per school campus each school year:

<u>School Type</u>	<u>Maximum Number of School Days to Conduct Exempted Fundraisers</u>
<u>Elementary Schools</u>	<u>5 days</u>
<u>Middle/Junior High Schools</u>	<u>10 days</u>
<u>Senior High Schools</u>	<u>15 days</u>
<u>Combination Schools</u>	<u>10 days</u>

4. Each school's Healthy School Team will maintain a school calendar identifying the dates when exempted competitive food fundraisers will occur and submit to the Food Service Supervisor (FAC 5P-1.003).

VII. Policy for Food and Beverage Marketing

A. School-based marketing will be consistent with policies for nutrition education and health promotion. As such the following guidelines apply:

1. School will only be allowed to market and advertise those foods and beverages that meet or exceed USDA's Smart Snacks in School nutrition standards.

2. Marketing activities that promote healthy behaviors (and are therefore encouraged) include: vending machine covers promoting water, pricing structures that promote healthy options in a la carte lines or vending machines, sales of fruit for fundraisers and coupons for discounted gym memberships.

VIII. Nutrition Standards for All Goods Sold in School

A. Competitive Foods for Sale

1. All foods and beverages sold on the school campus to students outside of reimbursable school meals are considered "competitive foods", and must comply with the nutrition standards for competitive food as defined and required in 7 CFR 210.11.

i. School campus means, for the purpose of competitive food standards implementation, all areas of the property under the jurisdiction of the school that are accessible to students during the school day.

ii. School day means, for the purpose of competitive food standards implementation, the period from the midnight before, to thirty (30) minutes after the end of the official school day.

2. The Food and Nutrition Services department will comply with the provisions set forth in Federal Law regarding the sale of competitive food and foods of minimal nutritional value.

A. The school will provide parents and teachers a list of ideas for healthy celebration/party rewards and fundraising activities.

B. Class parties or celebrations shall be held after the lunch period.

C. Schools will limit celebrations that involve food during the school day to no more than one party per class per month.

X. Counseling/Psychosocial and Social Services

A. Each school shall provide a supportive and nurturing environment that includes school counseling, social workers, mental health counseling, and psychological services.

B. Each school shall provide a supportive environment that includes guidance, counseling, and school social work services offered to encourage students, families, and staff members to request assistance when needed and to help link them to school and community resources as appropriate. Programs and student service plans that support and value the social and emotional well-being of students, families and staff build a healthy school environment.

C. Students shall be taught the skills to express thoughts and feeling in a responsible manner and give and receive support from others.

D. Student shall be taught to understand and respect the differences in others and how to build positive interpersonal relations.

E. Students and staff shall be encouraged to balance work and recreation.

IV-XI. Health and Safety Goals

A. To ensure that all buildings, structures, and grounds are inspected and meet health and safety standards.

B. To maintain a school and worksite environment that is free from tobacco, ~~except in designated smoking areas.~~

C. To maintain a school and worksite environment that is free from alcohol and drugs.

D. To monitor routes to school and encourage walking and bicycle riding where appropriate and safe.

E. To provide a comprehensive health and safety education program for students.

F. To provide career education awareness for careers in health and wellness related fields.

G. To provide career education awareness for careers in health and wellness related fields.

H. To refer students, families and staff to health resources in the community.

I. To promote and support health and safety programs in the community.

XII. Staff Wellness

The district, and each work site, shall provide information about wellness resources and services to assist in identifying and supporting the health, safety and well-being of site staff.

A. Employees shall be encouraged to engage in daily physical activity before or after work hours in site-sponsored programs or as part of a local fitness facility.

B. Each school and district site shall be in compliance with drug, alcohol and tobacco free policies.

C. Each school and district site shall provide an accessible and productive work environment free from physical dangers or emotional threat that is as safe as possible and consistent with applicable occupation and health laws, policies and rules.

V-XIII. Family and Community Involvement Goals

A. To make facilities available to the community for wellness related activities through established procedure.

B. To collaborate with community agencies and organizations to promote, support and encourage wellness activities in the community and support and encourage participation in the community activities such as organized walks, health screenings, and educational programs.

C. Long term effective partnerships improve the planning and implementation of health promotion projects and events within each school and throughout the community.

B.D. Family, students, and community partners shall be included on an ongoing basis in school and district wellness planning processes. The equality and diversity of the school and district community shall be valued in the planning and implementation.

A. Okeechobee County School District will develop a triennial assessment to measure compliance with Okeechobee County School District's wellness policy. This assessment will include, but is not limited to the following:

1. The extent to which schools under the jurisdiction of Okeechobee County School District are in compliance with the local school wellness policy;
2. The extent to which the local school wellness policy compares to model wellness policies; and
3. A description of the progress made in attaining the goals of the local school wellness policy.

B. Informing the Public

The Okeechobee County School district will ensure the wellness policy, information and updates to and about the wellness policy and the triennial assessment are available to the public at all times.

1. The Okeechobee County School District will ensure the most updated version the wellness policy and the triennial assessments are always available on the school website for the public to view.
2. Wellness goals and policy updates will be provided to students, parents and staff on a monthly basis. Wellness updates may be provided in the form of handouts, Okeechobee County School District website, articles and information provided in each school's newsletter, presentations and through other appropriate means to ensure that the community in the district is informed and that public input is encouraged.
3. Each school will provide all parents with a complete copy of the local school wellness policy at the beginning of the school year by making the policy available to the public by posting it on Okeechobee County School District's website.

C. Community Involvement

Okeechobee County School District is committed to being responsive to community input, which beings with awareness of the wellness policy. Okeechobee School District will actively communicate ways in which parents, students, representatives of the school food authority, teachers of physical education, school health professionals, the school board, school administrators and the general public can participate in the development, implementation and periodic review and update of the local school wellness policy through a variety of means, including:

1. The school will consider student need in planning for a healthy nutrition environment. Students will be asked for input and feedback through the use of surveys and attention will be given to their comments.
2. Okeechobee County School District will use electronic mechanisms, such as email or displaying notices on Okeechobee County School District's website, as well as non-electronic mechanisms, such as newsletters, presentations to parent or sending information home to parents, to ensure that all families are actively notified of the content of, implementation of and updates to the wellness policy, as well as how to get involved and support the policy.
3. A the final public school board meeting of each year the local school wellness policy will be discussed and all stakeholders will be asked to provide feedback on the policy. All comments and recommendations will be reviewed and considered.
