RFP#19-01

Proposer Question: In order for me to provide an effective response I would need to have copies of your most recent bank statements for all accounts in question. Is it possible for me to pick them up sometime this week?

SDOC Response: Yes, the District will make copies of the April bank statement. Copies can be picked up from Corey Wheeler or Janis Stevens at the District office which is located at 700 SW 2nd Avenue, Room 207.

Proposer Question: In addition to the need for copies of statements, one item we would not be able to deliver on is the analysis of statement activity within 7 business days. Our system would not provide that until the 8th business day. Would that disqualify us?

SDOC Response: In accordance with item 2 of the General Conditions, The SDOC reserves the right to waive minor irregularities, mistakes or to reject any and all bid proposals or any part of any and all bid proposals or to contract as deemed in the best interest of the School District of Okeechobee County.

All bid irregularities such as the item mentioned above should be clearly disclosed on the Proposal Quotation Form. The committee will make a determination whether or not to waive such irregularities.
