It is the right of the Okeechobee County School Board to determine unilaterally the purpose of its constituent agencies, its slate of services to be offered to the public, and exercise control and discretion over organization and operations. It is also the right of the Board to direct its employees, to take disciplinary action for proper cause, and relieve its employees from duty because of lack of work and other legitimate reasons provided, however, that the exercise of such rights shall not preclude employees or their representatives from raising grievances about the particular consequences that decisions on these matters may have on terms and conditions of employment, as provided in this contract, provided, further, that an arbitrator shall not have the power to add to, subtract from, modify or alter the terms of this collective bargaining agreement.

The Board shall retain all rights, powers, functions and authority it had prior to the signing of this contract, except as such rights are specifically relinquished or abridged in this contract.

The provisions of this agreement shall not conflict with all matters pertaining to terms of employment and working conditions guaranteed by law to employees within the bargaining unit.

ARTICLE VI. EMPLOYEE BENEFITS

A. Personal Property Damage

A fund not to exceed \$1,500 shall be established for the reimbursement of classified personnel for damage to personal property resulting from assault or while restoring order in cases of riots, student fights, or general disorder by one or more students on school property or at a school approved function.

Classified personnel seeking reimbursement under the provision of this policy must file an employee accident report according to guidelines established for this purpose. Failure to file such a report within 10 working days of the occurrence shall disqualify an employee from receiving reimbursement.

The investigation of claims for reimbursement shall be the responsibility of the Superintendent of Schools or his designee.

Reimbursement shall be made within 15 days of the date of approval.

B. Vandalism Fund

A fund not to exceed \$1,500 shall be established for the reimbursement of classified personnel for damage to personal property resulting from acts of documented vandalism that occur on school property during regular working hours or at a school approved function in an official capacity.

Classified personnel claims shall be limited to a maximum of \$250.00 per occurrence. No more than \$1,500 per year shall be paid from the fund for all such claims.

Classified personnel seeking reimbursement under the provision of this policy must file a vandalism report according to guidelines established by the Superintendent. Failure to file such a report within 10 working days of the occurrence shall disqualify the employee from receiving reimbursement.

The investigation of claims for reimbursement shall be the responsibility of the Superintendent of Schools or his designee.

C. Terminal Pay

Employees terminating their employment who are not eligible to transfer accumulated sick leave within the state of Florida may receive terminal pay as follows:

- Those with three years or less of Okeechobee service shall receive an amount equal to thirty-five percent (35%) of their base daily rates of pay for each accumulated day.
- Those with four to six years of Okeechobee service shall receive an amount equal to forty percent (40%) of their base daily rates of pay for each accumulated day.
- Those with seven to nine years of Okeechobee service shall receive an amount equal to forty-five percent (45%) of their base daily rates of pay for each accumulated day.
- Those with ten to twelve years of Okeechobee service shall receive an amount equal to fifty percent (50%) of their base daily rates of pay for each accumulated day.
- Those with thirteen to twenty-nine years of Okeechobee service shall receive an amount equal to seventy-eight percent (78%) of their base daily rates of pay for each accumulated day.
- Those with thirty or more years of Okeechobee service shall receive an amount equal to one hundred percent (100%) of their base daily rates of pay for each accumulated day.

Upon full retirement, an employee not entering the Deferred Retirement Option Program (DROP) shall receive an amount equal to his or her daily rate of pay multiplied by one hundred percent (100%) of the employee's base daily rate of pay for each accumulated day. Full retirement is defined as that wherein no reduction in benefits is made because of age or years of service on the Pension Plan. Terminal pay for Investment Plan participants shall be paid according to years of Okeechobee service.

Employees who earn annual leave shall receive an amount equal to 100% of their base rate of pay for each accumulated annual leave day upon termination.

It is the responsibility of the employee to complete the necessary forms for payment of sick or annual leave within 30 days of termination. If termination of employment is due to death of the employee, the employee's personal representative shall initiate the necessary forms required within 45 days of the employee's death.

Upon election to participate in DROP, previously accumulated sick leave shall be paid to the employee using the following payment schedule. The partial payment amount will be based on the employee's daily rate of pay for the school year immediately preceding the payment.

- 0 to 12 months: One (1) lump sum payment in the month following the last day worked.
- 13 to 24 months: 50% at the end of the first 12 months and final payment in the month following the last day worked. 25 through 36 months: 33-1/3% at the end of each 12-month period and final payment in the month following the last day worked.
- 37 through 48 months: 25% at the end of each 12-month period and final payment in the month following the last day worked.
- 49 through 60 months: 20% at the end of each 12-month period and final payment in the month following the last day worked.

The DROP employee will have the option to use sick days accrued prior to his/her entrance into DROP during years in DROP provided the employee has used all sick days appropriated in any given DROP year. Any sick days already paid out to the employee based on the above schedule will no longer exist and therefore not be available to the employee.

Employees, who have participated in DROP, upon separation of employment from the District following DROP, shall have accumulated sick leave earned during that period paid into a "Special Pay Plan" for terminal pay as follows:

- Those with one to three years of Okeechobee DROP service shall receive an amount equal to thirty-five percent (35%) of their base daily rates of pay for each accumulated day.
- Those with four to five years of Okeechobee DROP service shall receive an amount equal to forty percent (40%) of their base daily rates of pay for each accumulated day.

This payment amount will be based on the employee's daily rate of pay for the school year immediately preceding the payment.

D. Investment Options

Okeechobee County School Board is not a registered investment, legal or tax advisor. Advice and decisions made with any investment entity are solely based on the employee's decision. Okeechobee County School Board is not responsible for the consequences of any decision based on investment advice.

1. The parties agree to participate in a "Special Pay Plan" for terminal pay as administered by BENCOR National Government Employees Retirement Plan. The terms and conditions shall be governed by the agreement between the Okeechobee County School Board and BENCOR dated June 3, 2003. Any changes shall be subject to negotiations between the Association and the Board.

2. Section 403(b)/457(b) Model Plans

Any proposed changes, additions, or deletions to the Section 403(b)/457(b) Model Plans shall be negotiated by the School District and the Okeechobee County Education Association #1604.

E. Insurance

1. Health Insurance

The Board agrees to provide all regular, full time classified employees with a basic hospitalization and health insurance program. Any anticipated changes to the hospitalization and health insurance program(s) which would result in a program less than equivalent to the existing program shall be subject to negotiations. The Board contribution in premium toward the cost of health insurance is as follows: 100% of Plan 5302; 87.2% of Plan 3769; and 65.0% of Plan 3768. Employees working less than seven (7) hours per day and who were employed after September 1, 1987, shall receive a pro-rated portion of this benefit according to the number of hours worked.

In addition to the premium contributions above, a District-approved wellness center will be established for employees and their dependents who are currently enrolled in the Board's health insurance program. The District-approved wellness center will include: free office visits, free health and wellness screenings and counseling, and a free stock medication program of commonly used prescriptions.

The above contribution rates include a \$75.00 per month premium discount for each employee who participates in a wellness initiative. To continue receiving the monthly premium discount, the following conditions must be met:

- Each newly hired employee must complete a full health risk assessment (inclusive of a biometric screening and blood draw) and at least one (1) follow-up visit to the District-approved wellness center to discuss the results of the screening prior to December 1st of the current school year.
- Each new employee who is hired on or after November 1st through the end of the current school year shall be eligible for the premium discount but must complete the full health risk assessment and follow-up visit by December 1st of the following school year to remain eligible.
- Current employees who have never completed the full health risk assessment and follow-up appointment will remain ineligible until compliance with the next eligibility cycle during the following school year.

- Current employees who have completed the full health risk assessment and follow-up appointment will remain eligible for the premium.

Employees who fail to participate will not be eligible for the monthly premium discount.

2. Health Insurance Coverage

There will be no lapse in health insurance coverage for employees who complete their assigned work year through the end of the school year and who have committed to return to work in August.

3. Insurance Committee

An Insurance Committee comprised of three (3) representatives selected by the Superintendent and three (3) representatives selected by Okeechobee County Education Association #1604 shall be established to review and make recommendations regarding the health insurance program.

The Committee shall meet at least quarterly and may meet more frequently as needed.

Notwithstanding the above, any anticipated changes to the hospitalization and health insurance program which would result in a program less than equivalent to the existing program shall be subject to negotiations.

4. Insurance Coverage While on Extended Leave Without Pay

When an employee is granted leave of absence without pay, insurance coverage may be paid by the employee through the Finance Office to continue their health insurance coverage for up to one (1) year if the employee so desires. All such payments must be made to the Finance Office in advance by the 25th day of the prior month for the next month's coverage. If payment is not received, the employee will be cancelled from group insurance coverage.

F. Insurance Conversion Privilege

The Board agrees to provide conversion privileges for health insurance and life insurance upon resignation or retirement of classified personnel covered by this contract.

The premiums must be totally paid by the individual at rates determined by the insurance company.

G. Cafeteria Insurance Plan

The Board agrees to provide all regular, full time classified personnel who work a minimum of six (6) hours per day with a Cafeteria Insurance Plan with the present level of coverage and benefits at a cost to the Board of \$300 per employee with any remaining costs to be borne by the employee. Classified personnel working less than six (6) hours and who were employed after September 1, 1987, shall receive a pro-rated portion of this benefit according to the number of hours worked. Any anticipated changes to the Cafeteria Insurance Plan shall be subject to negotiations.

Notwithstanding the above, the employee shall not be required to fund any type of administrative costs related to any benefits selected from offerings under this plan.

H. Workers' Compensation

An employee injured on the job is covered by Workers' Compensation Insurance. Should an on-the-job injury occur, the employee shall notify his/her principal or supervisor promptly. If an injury requires medical attention or results in lost time, it is the employee's responsibility to complete the necessary forms at the School Board office. If the leave is eight (8) weeks or less, the employee shall return to his/her original job assignment.

The Board shall continue to provide the full cost of all Board paid employee benefits for any employee who is disabled and entitled to or receiving Workers' Compensation indemnity benefits and a pro rata share of the full cost of all Board paid employee benefits for any part time employee who is disabled and entitled to or receiving Workers' Compensation indemnity benefits until such time as the employee receives Florida Retirement disability benefits. All Board payments shall cease when indemnity benefits cease. However, nothing in this provision shall be deemed to create a continued employment relationship for the purposes of Florida Retirement System Disability Retirement.

I. Credit Union Deposits

All deposits for Board authorized credit unions shall be deducted and collected by the Board from the salaries of those employees giving written authorization to the Board for the deduction of said deposits, provided that such authorization shall be revocable at the employee's will upon thirty (30) days written notice to the Board and the Board authorized credit union.

Employees shall give the Board and the Board authorized credit union thirty (30) days prior written notice authorizing any change in the amount of money to be so deducted from the salaries of such employees.

J. Athletic Passes

Classified personnel shall be admitted without charge to any school-sponsored athletic event upon providing their Board-issued employee identification. The above provisions shall not apply to pre and post season events such as tournament games and state playoffs.

K. Children's Attendance in Different School Zone

The Open Enrollment Policy is on a first come/first serve basis. Classified personnel will be given a deadline date for submitting a request for their children's attendance in the school where they work or the school closest to the school where they work prior to the deadline for the general public. In the event of an involuntary transfer, the original date of the employee's zone request will be considered. In the case of a bus driver the school must be on that particular driver's route. Approval will not be granted in any situation where it would increase the cost to the school district due to overcrowding.

If overcrowding in a grade level occurs, the reassignment of students will be made according to the date of the most recent application.

Transportation to an employee's school site will be provided for elementary age children of middle school personnel when:

- Their children's school day ends before their regular workday; and
- There is an existing shuttle for a student to another school due to that student's academic placement or a bus travels directly by the school resulting in no impact on direction or time of the route.

Parents will be responsible for their children and shall release and forever hold harmless Okeechobee County Schools, its officials, employees, and agents from any and all potential claims.

If it is determined by the Principal that having such students on campus is causing a safety concern or interfering with an employee's ability to carry out his or her duties, that employee may lose this privilege.

L. Field Trip Admission

The Board agrees to pay admission costs for any bus driver or paraprofessional who is assigned or requested to go on a school field trip, provided that person agrees to serve as a chaperone for the field trip. An employee who is chaperoning an approved trip will be permitted to have trip expenses paid out of monies raised by the student group if this stipulation was made in the original request/application for the fund raiser. If a ticket is provided by the field trip destination specifically for the bus driver, the ticket will be given to the driver.

M. Payment for Bus Drivers' Uniforms

Any bus driver who chooses to purchase a Board approved uniform will have the opportunity have the purchase price (not to exceed \$150) deducted from their paychecks in four (4) equal payments. The purchasing driver shall execute and deliver a promissory note payable to the Board bearing no interest but bearing interest at the maximum legal rate upon default in payment.

N. Credit Information

The Superintendent or his/her designee, in response to a written request or phone call by an appropriate recognized lending institution or credit bureau for credit purposes, shall not respond to any such request by issuing any opinion as to the character of the individual or reveal anything of a confidential nature.

O. Fingerprinting Costs

Any costs for employees of the Board related to the collection, processing, retention and/or re-screening of fingerprint records required by the Florida Department of Law Enforcement or other governmental agency shall be paid for by the Board.

P. Communication Devices

The Board will provide a communication device selected by the supervisor for the following positions:

- Warehouseman
- Maintenance Personnel
- Technology Specialists
- Head Mechanic
- TAP Paraprofessional
- Attendance Officer

The choice of device shall be made by the supervisor; however, if use of a personal cell phone is chosen, it will be permitted only with employee consent. If such consent is given, a \$15.00 monthly stipend will be paid for the use of the personal cell phone.

Q. Notary Public

Upon Supervisor recommendation the District will cover the Notary Public application fee, minimum bond, and seal in compliance with Florida Statute 117.01 for the initial or renewal certification when the notary services are expected to be used in the course and scope of employment.

ARTICLE VII. EMPLOYEE RIGHTS

A. Classified Personnel Rights

In employment, job assignment and employee/employer relations, no procedure shall discriminate against any applicant or employee on the basis of membership in the Okeechobee County Education Association #1604.

There shall be no reprisal against any employee for processing a grievance or participating in the grievance procedure.

Any person sustaining injury as a result of any violation by the Okeechobee County School Board of this provision shall be entitled to apply to a court of competent jurisdiction for appropriate relief injunctive or otherwise as set forth in Florida Statutes 447.17.

B. Recording Equipment

Employees shall be notified in advance when video cameras or other recording equipment is installed in a work place. A sign indicating the facility has video cameras or recording equipment shall be placed at the main entrance to the facility. No disciplinary action shall be taken nor adverse evaluation made against an employee based solely upon photographs and/or any recordings by cell phones, tapes, or other recording devices. Furthermore, the existence of any such material which comes to the attention of an administrator shall be disclosed to the employee prior to proceeding with a District investigation.

C. Personal Rights

The Board shall be concerned with the non-school activities of classified personnel only when they interfere with the discharge of the employee's job related duties, or hamper the professional relationship with children. Unless the Board can clearly demonstrate that an employee's non-school activities are interfering with the discharge of professional duties, such activities shall not be reflected in any evaluation or other written material regarding the employee. The only exception to this provision is State Board Rule 6A-3.0141 as it pertains to the personal driving record of school bus drivers.

All classified personnel shall be guaranteed all provisions of law under due process and grievance procedures.

D. Personnel Files

Both parties agree to follow Florida Statute 1012.31 in regards to personnel files.

A Memo on Conference is designed as an aid to the evaluation process of the employee and is not disciplinary in nature. A Memo on Conference provides notice to and documents a discussion between the evaluating administrator and employee regarding performance deficiencies. A copy will be furnished to the employee within ten (10) working days following the discussion. The employee has the right to respond in writing within ten (10) working days from the date of receipt of the Memo on Conference. The employee's response will be attached to the Memo on Conference.

A copy of the Memo on Conference and the response, if any, will be placed in the employee's personnel file.

A complaint against an employee lodged by a parent, student or other individual will only be included in the employee's personnel file if the complaint is placed in writing and signed by the individual initiating the complaint. No complaint or reprimand shall be placed in an employee's personnel file unless an investigation ensues and the complaint is substantiated. Employees shall be notified of all complaints prior to the District initiating an investigation and shall be given copies of any materials and/or documents used during the investigation. The employee shall be given the opportunity to file an explanation with the complaint prior to any decision regarding disciplinary action. Disciplinary action resulting from such complaint shall be limited to those matters which have been reported to the employee in writing. In no case shall complaints or reprimands be placed in the employee's personnel file that are anonymous or are based on anonymous information.

Nothing in this section shall be construed as preventing or restricting the District from initiating an investigation following receipt of an anonymous complaint against an employee.

E. Association Representation in Disciplinary Cases

It shall be the District's practice to follow a course of progressive discipline. Progressive discipline shall be as follows: documented verbal warning; written reprimand following a meeting; suspension; termination. Serious offenses may result in an immediate, strong consequence up to and including termination.

Prior to any discipline, administration shall investigate and substantiate allegations against the employee. The employee shall be given the opportunity to explain and refute the allegations prior to any decision regarding discipline.

An employee shall be entitled to request to have a representative from the Association present during an interview with a school district administrator when the employee has a reasonable belief based upon factual circumstances that disciplinary action against the employee will result from such interview.

No administrator shall reprimand or criticize any employee in the presence of the employee's colleagues or students, or in the presence of the parents of such students. When reprimand or criticism is deemed necessary, it shall be made with discretion out of general public view.

F. Urgent Communication

When a caller properly identifies a message as an emergency, it will be delivered immediately. All other messages will be placed in the employee's mailbox or delivered as soon as possible.

G. Grievance Procedure

The term "grievance" is defined as a written allegation by a grievant that a dispute or violation exists between the Board, an employee, group of employees or the Association, involving the interpretation, application, misapplication or non-application of this Agreement. The purpose of the grievance procedure is to secure, at the lowest possible administrative level, equitable solutions to problems which may arise affecting the health, welfare or working conditions of members of the bargaining unit. Grievances shall systematically follow the grievance procedure as outlined herein. All members of the bargaining unit may have the right to Association representation at any point in the grievance procedure. If the grievance involves more than one school building or worksite, the grievance may initially be filed with the Superintendent or the Superintendent's designated representative at Step Two. No reprisals or retaliation shall be invoked or threatened against any employee for processing a grievance or participating in any way in the grievance procedure. The Board will cooperate with the

Association in its investigation of any grievance and will furnish such information as is requested for the processing of a grievance.

A "grievant" is defined as an individual employee, group of employees or the Association filing a grievance. The term "supervisor" is defined as the principal of the school where the individual is assigned or the immediate supervisor when the employee is not assigned to a principal. The term "days" shall mean work days.

Any grievance filed shall refer to the provision or provisions of the Agreement alleged to have been violated and shall set forth the facts pertaining to the alleged violation. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level is to be considered the maximum, and every effort should be made to expedite the process before the deadlines are reached. However, time limits may be extended by mutual written agreement between the parties.

Informal Discussion: Any employee who believes there is a basis for a grievance shall first informally discuss the matter with the immediate supervisor. Any such alleged grievance must be brought to the attention of the immediate supervisor within twelve (12) days of: (a) the actual occurrence of the event or events giving rise to the grievance, or (b) the time that the grievant becomes aware or with the exercise of reasonable diligence, should have been aware of the event or events giving rise to the grievance. If, however, a grievant is absent when such grievable event occurs, the twelve (12) day time period shall not commence until the grievant's return.

Step One: If the grievant and immediate supervisor are unable to satisfactorily adjust the grievance issue within five (5) days following the informal discussion, the grievant may within seven (7) days submit a grievance in writing to the immediate supervisor. The immediate supervisor shall present a written decision to the grievant within five (5) days following receipt of the grievance. The names of drivers will be matched with the field trips for each assignment period in a rolling alphabetical order, on list with start with A and move forward and the other list will start with Z and move backward to prevent conflicts. If a driver refuses a trip, the next driver will be offered the trip, alphabetical order will continue. To ensure transparency in the assignment of extracurricular and field trips, the lists for in-town and out-of-town field trips will be shared electronically with the entire transportation department.

2. Full-time school bus drivers employed by the Board shall have priority in applying for extracurricular and field trip assignments to be made during the drivers' off-duty hours or when a permanent substitute is available, except when the coach or club sponsor of that team or club volunteers to drive before the trip is assigned to an employee, resulting in no cost to the district, club or athletic program. At least once each year, a teacher or coach shall be assigned a trip (which may be a regular bus route) to ensure they continue to meet the qualifications to maintain their license to drive a school bus.
3. Drivers may not drive after having been on duty for fifteen (15) hours, following eight (8) consecutive hours off duty. Off-duty time is not included in the fifteen (15) hour period.

The Board agrees to pay any employee a percentage of his/her daily rate of pay multiplied by no more than five (5) of their unused accumulated sick days on an annual basis, provided that such employee is willing to have those unused sick days deducted from his/her accumulated sick days. If applications for payment of unused accumulated days exceed the amount of the fund, such applications shall be considered in the order in which they are submitted and approved.
