Collaboration and communication is the hallmark of any successful school district. This parent guide is one of the many ways in which we communicate opportunities for students and their families, introduce additional resources for which you can take advantage, and to outline your rights and our obligations.

“The Successful Student” is chocked full of information that will help you reach the right office if you have a question, understand your rights as a parent according to state and federal laws, examine the BEST Standards for instruction and become familiar with both promotion and graduation requirements.

As you turn each page, we hope you will recognize the benefits of our relationship. Working together, there is no reason why each student shouldn't be successful in reaching their milestone of becoming college and career ready.

We have lots of exciting things happening this school year. Here are just a few:

- New K-5 English Language Arts Curriculum
- New K-12 Math Curriculum
- New elective classes at both middle and high school including dual enrollment and financial literacy
- Pre-K opportunities are available at every elementary school
- Freckle and Lalilo will now be used for online reading and math instruction matched to each student's individual level
- Progress monitoring will replace the Florida Standardized Assessment
- Renewed emphasis on Professional Learning Communities

All of these initiatives are aimed at helping us reach our goals of the strategic plan which are based on positive student outcomes.

To stay connected beyond this guide, please visit our district website at www.okee.k12.fl.us. Your child's school also has a specific method to disseminate information. It may range from Facebook, Class DoJo, parent newsletter emails, TalkingPoint and so on. Our joint communication will no doubt strengthen our partnership as we both strive to provide the very best educational experience for your child.

Sincerely,

Ken Kenworthy
Superintendent of Schools

Superintendent Ken Kenworthy

Help Desk:
General questions, comments, or concerns can be emailed to: okee.helpdesk@okee.k12.fl.us. The email will be routed to the appropriate school or department.

2022-2023 PROGRESS REPORT & REPORT CARD SCHEDULE

First Nine Weeks

Thursday	September	8	Send Progress Reports Home
Friday	October	14	Last day of Nine-Week Grading Period
Monday	October	24	Report Card Day (All Schools)

Second Nine-Weeks

Thursday	November	10	Send Progress Reports Home
Friday	December	23	Last Day of Nine-Week Grading Period
Tuesday	January	17	Report Card Day (All Schools)

Third Nine-Weeks

Thursday	February	9	Send Progress Reports Home
Friday	March	10	Last Day of Nine-Week Grading Period
Friday	March	24	Report Card Day (All Schools)

Fourth Nine-Weeks

Wednesday	April	19	Send Progress Reports Home
Friday	May	26	Last Day of Nine-Week Grading Period
Tuesday	June	20	Report Cards Mailed/Available for Pick-Up at School Elementary
Friday	June	23	Report Cards (Middle Schools, OFC & OHS)

PARENT PREPARATION FOR A SUCCESSFUL SCHOOL YEAR

The following items will help keep you up to date on school activities and ready to respond to the big and little crises your child may have.

- A [current school calendar](#) showing holidays, early release days, teacher workdays, and school grading periods (see inside cover of this guide);
- Phone numbers for your child's school and the District Office (see back cover of this guide);
- The Okeechobee County School's [Code of Student Conduct](#) which describes what behavior is unacceptable in school and how students are disciplined if they commit a violation;
- School [Attendance](#) guidelines;
- [Student Progression Plan](#);
- Skyward Family and Student Access, more information on page 29;
- Information on the [Florida KidCare](#) Insurance Plan;
- Student Agenda: contain information on the dress code, school rules and an excellent source for parents to communicate daily with teachers.
- The Family Educational Rights and Privacy Act (FERPA) and the Protection of Pupil Rights Amendment (PPRA) printed on pages 3 and 4 of this guide.

This information is distributed and discussed at the start of each school year. Additional copies are available at each school site or may be obtained at <http://www.okee.k12.fl.us/>

CHAIN OF WHO TO CALL

WHO DO I CONTACT WHEN I HAVE A CONCERN REGARDING MY CHILD OR CHILDREN?

- * **FIRST, START WITH THE CLASSROOM TEACHER (CALL OR EMAIL). IF YOU ARE NOT SATISFIED;**
- * **SECOND, CONTACT AN ADMINISTRATOR (THE ASSISTANT PRINCIPAL). IF YOU ARE NOT SATISFIED;**
- * **THIRD, CONTACT THE PRINCIPAL. IF YOU ARE NOT SATISFIED;**
- * **LAST, CONTACT STUDENT SERVICES, FROM THERE YOUR CALL WILL BE ROUTED TO THE APPROPRIATE DEPARTMENT.**

NOTE: IT IS ALWAYS BETTER TO START AT THE SCHOOL SITE WITH COMMUNICATION; IT WILL SPEED UP GETTING TO A SOLUTION!

SUCCESSFUL PARENT-TEACHER CONFERENCE

A good way to find out how your child is doing in school is through a parent-teacher conference. The teacher may request a conference or you may request a meeting. Listed are some tips for having a successful parent-teacher conference:

- Make a list of questions and concerns you have and write them down.
- Keep track of your child's schoolwork to help you with your questions.
- Listen to what the teacher has to say and ask questions if you do not understand what the teacher is trying to tell you.
- Schedule a follow-up appointment if necessary.
- Try to work with the teacher to help your child; teamwork is the best approach.

Here are some questions to keep in mind:

- Is my child performing at grade level?
- What are my child's strengths and weaknesses in reading, writing, mathematics, science, and social studies?
- How much time should my child be spending on homework?
- Are my child's assignments being completed correctly and on time?
- Do you have a folder of my child's work? Will you review it with me?
- Does my child get along with the other students?
- Does the school have special programs to meet my child's needs?
- What can I do at home to support what is happening in the classroom?
- What is the best way to keep in touch with you?

STUDENT RECORDS

PRIVACY RIGHTS OF STUDENTS AND PARENTS

The Family Educational Rights and Privacy Act, 20 U.S.C. 1232g (FERPA), and corollary state law, Section 1002.22, Fla. Statute affords parents and students who have attained 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

The **right of privacy** with respect to the student's education records.

Personally identifiable records or reports of a student, and any personal information contained in those reports, are confidential. The School District of Okeechobee County will not release the education records of a student without the written consent of the eligible student or the student's parent(s) or guardian(s), except to the extent FERPA and state law authorized disclosure without consent.

The **right to inspect and review** the student's education record within 30 days of the day the District receives a request for access.

Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

The **right to request the amendment** of the student's education records that the parent or eligible student believes are inaccurate or misleading.

Parents or eligible students may ask Okeechobee County School District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

The **right to consent to disclosures** of personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health person or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

The Okeechobee County School District will forward educational and disciplinary records to other schools that have requested records and in which the student seeks or intends to enroll (34 CFR §§ 99.7 and 99.34(a)(1)(ii)).

Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

The **right to file a complaint** with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, DC 20202-5920.

Florida Statute, 1002.22, provides that an educational institution may, without authorization from parents, guardians, or eligible students, release "Directory Information". Directory information includes the following:

Student's name, address, telephone listing if not an unlisted number, date and place of birth, a major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, most recent educational institution attended by student, photographs in the school year book and similar information.

U.S. Code 20 U.S.C.S. 7908 requires local educational agencies (LEAs) to provide military recruiters with the name, address, and telephone listing of secondary student.

If any parent, guardian, or student above the age of 18 years objects to the release of such information, he/she shall make known the objections, in writing, to the Superintendent by September 15th of the school year. The School Board shall release directory information after 30 days public notice has been given.

PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA) NOTICE

Pursuant to the Protection of Pupil Rights Amendment (PPRA) (20 USC §1232h; 34 CFR Part 98), parents, guardians, or eligible students (over the age of 18 or emancipated) have certain rights pertaining to surveys, the collection and use of information for marketing purposes, and certain physical exams. These rights are as follows:

1. The right to give prior written consent before students are required to submit to surveys concerning protected information (regarding political affiliation or beliefs; mental or psychological problems of the student or student's family, sex behavior or attitudes; illegal, anti-social, self-incriminating, or demeaning behavior; critical appraisal of others with whom survey respondents have close family relationships; legally recognized privileged relationships, such as with lawyers, doctors, or ministers; religious practices, affiliations, or beliefs of the student or parents; or income, other than as required by law to determine program eligibility) if the survey is funded in whole or in part by a program of the U.S. Department of Education.
2. The right to opt a student out of participation in any other protected information survey, regardless of funding.
3. The right to opt a student out of any non-emergency invasive physical exam or screening required as a condition of school attendance administered by the school or its agent, and not necessary to protect the immediate health and safety of a student. The right to opt out does not apply to hearing, vision, scoliosis or body mass index screenings, or any physical exam or screening permitted or required under State law, except on grounds of religious beliefs or physician certifications pursuant to F.S. 1003.22(5).
4. The right to opt a student out of activities involving the collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others, and
5. The right to inspect, upon request and prior to administration or use (a) protected information surveys of students, (b) instruments used to collect personal information from students for any marketing, sales, or distribution purposes, and (c) instructional material used as part of the educational curriculum.

The District will ensure that student privacy is protected in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes.

The District will directly notify parents of their PPRA rights at least annually at the start of each school year and after any substantive changes. The District will also directly notify (including, but not limited to, mail, e-mail, in-person, or by acknowledgement form) parents of students who are scheduled to participate in the specific activities or surveys noted above and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. The District will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys and will be provided an opportunity to opt their child out of such activities and surveys and to review any pertinent surveys.

Those who believe their rights have been violated may file a complaint with the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, D.C. 20202. If you wish to discuss and try to resolve any PPRA concerns before contacting the Family Policy Compliance Office, you may contact the School Board of Okeechobee County, Director of Student Services (863) 462-5000 ext. 1060.

The Okeechobee Education Records Manual is set forth in District Manual 2.60, Student Education Records. The manual is available for inspection at the District Administration office located at 700 S.W. 2 Avenue, Okeechobee, Florida, during regular office hours Monday—Friday. A copy of the policy may be obtained free of charge, upon request.

Parental Rights in Education

The 2022 Florida Legislature passed House Bill 1557, Parental Rights in Education. The bill outlines new responsibilities and considerations to include the following:

- A student's parent should be notified if there is a change in the student's services or monitoring related to the student's mental, emotional, or physical health or well-being and the school's ability to provide a safe and supportive learning environment for the student.
- Provides that school districts may not adopt procedures or student support forms that prohibit school district personnel from notifying a parent about his or her student's mental, emotional, or physical health or well-being, or a change in related services or monitoring, or that encourage or have the effect of encouraging a student to withhold from a parent such information.
- Establishes that classroom instruction by school personnel or third parties on sexual orientation or gender identity may not occur in kindergarten through grade 3 or in a manner that is not age-appropriate or developmentally appropriate for students in accordance with state standards.
- Requires each school district, at the beginning of the school year, to notify parents of each health care service offered at their student's school and the option to withhold consent or decline any specific service.
- Requires each school district to adopt procedures for a parent to notify the principal, or his or her designee, regarding specific concerns at his or her student's school about practices and procedures under s. 1001.42(8)(c), F.S., and the process for resolving those concerns within seven calendar days after notification by the parent.

SCHOOL DISTRICT OF OKEECHOBEE COUNTY NOTIFICATION OF SOCIAL SECURITY NUMBER COLLECTION AND USAGE

In compliance with Florida Statute 119.071(5), this document serves to notify you of the purpose for the collection of your child's social security number. The Okeechobee County School Board will collect and use your child's social security number only if specifically authorized by law to do so or when it is imperative for the performance of its duties and responsibilities as prescribed by law.

If you have any questions or need further information, please contact the Okeechobee County School Board Office at (863) 462-5000.

A Student's Social Security Number may be required for:

- State of Florida Bright Futures Scholarship Program
- Local scholarship applications (Take Stock in Children, etc.)
- Verification of Income Eligibility for Federal Free and Reduced Lunches
- Medicaid Reimbursement
- General Educational Development (GED) Application
- Social Security Income Verification and Assistance
- Developmental Services
- Data tracking for the Florida Education and Training Placement Program
- Managing Student Records in the Automated Student Database
- Matching of records between the Florida Department of Education and the Kindergarten screening data for Voluntary Pre-Kindergarten Provider Readiness Rate
- Reporting Excessive Absences to the Department of Motor Vehicles
- Documents and Reports for the Department of Juvenile Justice and law enforcement agencies as required
- The Florida Department of Health as required
- Forwarding records requests to other school districts where the student seeks to enroll or to request records of past attendance
- Dual Enrollment in college courses
- Other purposes specifically required or authorized by local, state or federal law

CONSIDER PERFECT ATTENDANCE; 180 DAYS OF SCHOOL EACH YEAR!

School attendance is the responsibility of the parent and student. Since there is a strong relationship between attendance and academic performance, it is important that parents take an active role in working with the school to ensure their child's attendance on a daily basis. State law requires that all students between the ages of six and eighteen attend school regularly. Failure to comply with this law could result in the arrest of the parent or legal guardian responsible for the child.

Absences are classified as excused or unexcused. School Board policy lists the reasons for which an absence may be excused.

Excused Absences:

- Illness or injury of the student
- Illness or injury to the student's immediate family necessitating the student's absence
- Death to a member of the student's family necessitating the student's absence
- Recognized religious holidays of the specific faith of a student
- Doctor and dental appointments of the student
- Pre-arranged absences of educational value and with the principal's approval
- Subpoena or forced absence by any law enforcement agency
- Major disaster that would justify absence in the judgment of the administration
- Head lice, a maximum of two days per incident

It is the responsibility of the parent or guardian to provide written or oral notification indicating the reason for the absences within two (3) days of the student's return to school.

Unexcused Absences:

- Any absence which is not justified by the parent or guardian or for which the reason is unknown
- Not attending class while on a school campus (skipping)
- In grades K-8, an accumulation of five unexcused tardies/early checkouts will convert to an unexcused absence. These absences are considered when calculating absences towards truancy. In addition, these absences are considered when awarding perfect attendance.
- Final determination on whether an absence is excused or unexcused is the responsibility of the principal

Absences of Students Grade 9-12

- Minors between 14 and 18 years of age who accumulate 15 unexcused absences in any 90-calendar-day period, will not be issued a learner's permit or will have their driver's license suspended.

READY TO START SCHOOL?

Please contact the administration office of the school you are zoned for based on your permanent home address. If you are uncertain of the school you are zoned for, you may contact the Director of Student Services, at (863) 462-5000 ext. 1060, to get that information. To enroll your child in school you must complete a registration packet provided by the school. The packet includes questions regarding your demographic information, requires proof of address and a copy of previous schooling information. In addition, before admitting a child to kindergarten, the principal shall require evidence that the child has attained the age at which he or she should be admitted in accordance with the provisions of subparagraph Florida Statute 1003.21 (1)(a)2. The district school superintendent may require evidence of the age of any child whom he or she believes to be within the limits of compulsory attendance as provided for by law. If the first prescribed evidence is not available, the next evidence obtainable as listed in (4) (a-g) will be required. The school district has a policy to provide for appropriate screening of its students for scoliosis at the proper age.

IMMUNIZATION REQUIREMENTS

Each child entering a Florida public or private school must present or have on file at the school, a Florida Certification of Immunization (Department of Health Form 680, copies are not accepted). Immunizations must be valid and up-to-date for age and grade level as required by the State of Florida. The following is a summary of these requirements.

Public/Non-Public Schools Kindergarten through 12th Grade:

- Four or five doses of diphtheria-tetanus-pertussis (DTaP) vaccine
- Two or three doses of hepatitis B (Hep B) vaccine
- Three, four, or five doses of IPV (with at least one dose of polio vaccine administered after the 4th birthday)
- Two doses of measles-mumps-rubella (MMR) vaccine
- Two doses of Varicella* for grades 2-11, one dose of Varicella for grade 12 only (for 2019-20 school year)
- Two doses of Varicella for K-12 for 2020-2021 school year and thereafter
- *Varicella vaccine is not required if there is a history of varicella documented by the healthcare provider.

Seventh Grade Requirement:

In addition to compliance with all other required immunizations, children entering, attending, or transferring to the seventh, eighth, or ninth grade in Florida schools must complete the following:

- One dose of tetanus-diphtheria-pertussis (Tdap) vaccine

The original Florida Certification of Immunization (DH 680, copies are not accepted) must be used to document immunization requirements for admittance through grade 12.

This form must be completed with the child's name, date of birth, parents/guardians name, the name of the physician or clinic, physician or clinic address and the signature of physician or the authorized designee. Handwritten physician signatures will not be accepted as this form must be electronically certified. This form must show that the child is up-to-date with the required immunizations. Handwritten dates for required immunizations will not be accepted. Any student transferring from another Florida school may be given a 30-day temporary exemption until the certification of immunization can be obtained from the previous school. If the record cannot be obtained from the previous school within this time frame, it is the parent's responsibility to provide such a copy. Any student from out-of-state must present an up-to-date Form 680 at time of enrollment. If you have any questions, please call the Okeechobee County Health Department at (863) 462-5792.

School Physical Exam:

Each child who is entitled to admittance to pre-kindergarten or kindergarten, or is entitled to any other initial entrance into a public or non-public school in the state of Florida, must present a certification of a school entry physical examination performed within one year (12 months) prior to enrollment in school.

Any student transferring from another school in the United States may be given a 30-day temporary exemption until the certification of a school entry physical examination can be obtained from the previous school. If the record cannot be obtained from the previous school within this time frame, it is the parent's responsibility to provide such a copy. Any student from out-of-state must present an up-to-date Form 680 at time of enrollment.

If you have any questions, please call the Okeechobee County Health Department at (863) 462-5792.

WHAT IS THE SCHOOL HEALTH SERVICES PROGRAM?

The School Health Services Program is designed to appraise, protect, and promote the health of our students as well as provide preventive and emergency school-based health services in accordance with the 2022-2024 School Health Services Plan for Okeechobee County.

OKEECHOBEE SCHOOLS' SCHOOL HEALTH SERVICES PROGRAM INCLUDES:

School Health Services:

- Basic First Aid Services
- Physician ordered medication administration (Physician Authorization Form required)
- Over the counter medication administration (OTC-Over the Counter Form required)
- Monthly mental health and wellness videos (shown monthly in grades K-12 to remain in compliance Rule 6A-1.094124, F.A.C.

RULES FOR SCHOOL BUS RIDERS:

(The Code of Conduct applies in the bus as well as in the classroom.)

TIPS FOR WALKING AND BIKING SAFELY:

PROTECTING CHILDREN FROM SEXUAL OFFENDERS AND PREDATORS:

At the bus stop: Students and parents are responsible for safety and proper student behavior.

- Students must stand at least 10 feet back from the roadway while waiting.
- Students must respect other people's property.
- Students must not push, shove, or engage in horseplay.
- Students must arrive at the bus stop at least five minutes prior to the scheduled pickup time.
- Students must wait for and get off the bus only at approved stop locations.
- Parents should supervise children at the stop.

During loading and unloading: Always stay away from the 10 foot "danger zone" around the bus, except when you are directed by the driver.

- NEVER pick up an object that you drop under or near the bus. Ask the driver for help.
- Always make sure the driver can see you, never walk behind the bus.
- Make sure clothing and backpacks have no loose drawstrings or long straps that could catch in the handrail or bus door.
- When you see the bus coming, stand at the stop and wait for the bus to come to a complete stop.
- Always wait for the driver to signal that it is safe to cross the road and/or load into the bus.
- When crossing a traffic lane, always look left, right, then left again; cross only if approaching traffic has stopped.
- Only board your assigned bus, unless other arrangements are approved by your school.
- Never approach a moving bus.

During the bus ride: Always follow the driver's directions.

- Never distract the driver unless there is immediate danger to you or others.
- Remain seated with your seat belt fastened, keep the aisles clear, always keep your arms, legs, and head inside the bus.
- Eating, drinking, and chewing gum are prohibited unless an exception has been approved for a trip approved by the Superintendent or designee.
- Never bring unauthorized items into the bus.
- Always wear your seat belt when one is available.
- Always show respect for your fellow students and bus driver.
- Keep conversation at a reasonable level and remain quiet at railroad crossings.

Walking: Walk with an adult or responsible older child at all times.

- Children under 10 years old should cross the street only with an adult or when directed by a bus driver.
- Walk on the sidewalk if there is one.
- Walk facing the traffic, as far from the road/traffic as possible, if no sidewalk is available.
- Use traffic signals and marked crosswalks if available.
- Stop at the curb or edge of the road and look left, right and left for traffic before crossing the street.
- Walk; don't run.
- Give drivers time to see you before crossing the street.
- Keep looking for cars while you are crossing.
- Wear white clothing or reflectors when walking in the dark or in low light.

Biking: (Riders must follow Florida Traffic Laws.) Always wear a helmet that is properly fitted.

- Whenever possible, ride with an adult or responsible older student.
- Always obey all traffic signs and signals.
- Ride on the right side of the road or trail in a single file (one bicycle behind another).
- Ride in the same direction as other vehicles. Go straight across railroad tracks.
- Always use proper hand signals when turning and stopping.
- Yield to pedestrians and alert them with a bicycle bell or your voice when passing.

Talk to your children about following these tips:

- Stay away from an unfamiliar person who is trying to trick you or force you to go with him or her.
- Let your parents and other trusted adults know about any suspicious person or situations.
- Learn to describe people and vehicles.
- Know where to run and how to forcibly resist capture.
- Scream to be seen and to scare a stranger away.
- Stay with a buddy, a group, or parents at the bus stop.
- Report anyone hanging around or passing by regularly.
- Walk or bike along a route that your parents have determined is safe.
- Lock the door and never tell callers you are home alone.

RIGHT TO KNOW Qualifications of Teachers

The Okeechobee County School Board is committed to providing information to you regarding your child's teacher and paraprofessional qualifications in a timely manner upon request.

At any time, you may ask:

- If the teacher meets state qualifications and certification requirements for the grade level and subject he/she is teaching
 - If the teacher has received an emergency or conditional certificate through which state qualifications were waived
 - What undergraduate or graduate degrees the teacher holds, and major(s) or area(s) of concentration
 - Whether your child receives help from a paraprofessional, and if so, his/her qualifications
- The Every Student Succeeds Act (ESSA), signed into law in December 2015, contains additional parent right to know requests, including:
- Information on policies regarding student participation in assessments
 - Information on required assessments including: Subject matter tested, Purpose of the test, Source of the requirement (if applicable), Amount of time it takes students to complete the test, Time and format of distributing results.

All of the above information can be requested through your school principal.

BUS PASS PROCEDURE (SCHOOL BOARD POLICY 8.21)

All requests for use of an ongoing alternate bus stop location must be given in writing to the school annually. The alternate bus stop must be in the same attendance zone and the alternate stop will replace the home stop. Students will not be transported to different stops on different days of the week. For example, a parent may arrange for a student to be bused to the nearest existing bus stop to their work location or a sitter's home (assuming it is within the attendance zone of the school). The student will not be bused to that alternate stop on some days and directly to home on other days. If circumstances change (for example, due to a job change), a new request may be submitted. However, serial requests will not be considered.

**We gladly
welcome your
personal
checks.**

in partnership with

 **ENVISION™**
PAYMENT SOLUTIONS

www.EnvisionPayments.com

We accept checks with your:

- ♦ FULL NAME
- ♦ STREET ADDRESS (No PO Box)
- ♦ HOME PHONE # (w/Area Code)
- ♦ SECONDARY PHONE # (w/Area Code)
- ♦ DRIVER'S LICENSE (w/State)

PLEASE NOTE

If your check is dishonored by the bank, a service fee will be assessed in accordance to state law and federal guidelines. In providing a check as payment, you authorize electronic representation if your check should return unpaid. Also, you authorize service charges and processing fees, as determined by law, to be debited (at our option) from the same account via paper draft or electronic funds transfer.

PROMOTION REQUIREMENTS

The promotion requirements for students in Okeechobee public schools can be found in detailed form in the Okeechobee County School District Student Progression Plan.

Elementary School (grades K-5)

- Students shall demonstrate satisfactory progress in reading and mathematics as measured by state assessments and locally determined criteria.
- Third Grade - to emphasize the importance of being able to read on grade level by the end of third grade, the State of Florida has mandated that any third grade student.

Middle School (grades 6-8)

Promotion decisions for middle school students are based on the following considerations:

1. The student must pass 5 out of 6 courses. In order to pass a course the student must earn a passing grade in three of the four grading periods.
2. Final promotion decisions shall be made by the principal.

To be promoted from middle school a student must successfully complete:

- 3 middle school or higher, year-long courses in English (1 successfully completed course in reading may be substituted for an English course that the student has taken but not passed);
- 3 middle school or higher, year-long courses in Mathematics;
- 3 middle school or higher, year-long courses in Science;
- 3 middle school or higher, year-long courses in Social Studies including a semester-long or year-long course in Civics;

High School (grades 9-12)

- At the high school level promotion to the next grade level is dependent upon a student earning the required number of credits.

Required Credits:

	<u>(24 Credit Option)</u>		<u>(18 Credit Option)</u>	
	End of Academic-Year	Mid-Year*	End of Academic Year	Mid-Year*
Total credits to graduate	24**	24**	18	
Credits to become a Senior	17	20.5	13	15.5
Credits to become a Junior	11	13.5	8	8.5
Credits to become a Sophomore	5	7.5	5	6

*Students may apply for mid-year promotions when they meet the above credit requirements at the end of the first semester of school.

**Accelerated Options require less than 24 credits. More information about this option in the high school section pages 33 through 37.

Note: A student selecting an 18 credit, three year plan must have 15 credits by the end of the first semester of the third year to become a senior.

TESTING REQUIREMENTS

Florida Assessment of Student Thinking (FAST) will be administered three times per year in grades VPK through grade 10 English Language Arts and VPK through grade 8 Mathematics. These assessments replace the Florida Standards Assessments (FSA) and are intended to measure student progress in learning B.E.S.T. standards.

- The end-of-course assessments are computer-based tests designed to measure student achievement of the specified standards for middle and high school level courses in Biology 1, Civics, US History, Algebra 1, and Geometry.
- New FAST end-of-course assessments will be administered in the spring for Algebra 1 and Geometry. The other EOCs will remain the same.
- The statewide science assessment measures student success with the Next Generation Sunshine State Standards and includes assessments in grades 5 and 8.

All students must participate in the statewide assessments for the course(s) in which he/she is enrolled. For more information on state assessments and the Credit Acceleration Program (CAP) go to

<http://www.fldoe.org/accountability/assessments/k-12-student-assessment>, or for high school graduation testing requirements go to <https://www.fldoe.org/schools/k-12-public-schools/sss/graduation-requirements/>

STUDENT PROGRESSION

Each student’s progression from one grade to another is determined, in part, by proficiency in reading, writing, science, and mathematics. The Okeechobee County School Board has established the following comprehensive program for student progression:

- Evidence of a student’s performance will be reflected by grades assigned in accordance with the district adopted grading policy.
- Students who score below proficiency in English Language Arts and mathematics on statewide assessments are considered for remediation.
- Appropriate alternative placement for a student who has been retained 2 or more years.
- For more information view the [Student Progression Plan](#).

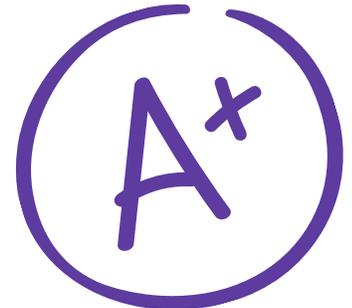

REPORTING OF ACADEMIC PROGRESS

- Progress reports are issued at the mid-point of each grading period.
- Report Cards are distributed at the end of each grading period.
- Kindergarten students will receive a grade of E, S, N, or U in English Language Arts, mathematics, science, social studies, and physical education.
- Students in grades one and two will receive grades A-F in English Language Arts and mathematics. They will receive grades of E, S, N, or U in science, social studies, and S, N or U in P.E.
- Students in grades three through five will receive grades A-F in English Language Arts, mathematics, science, and social studies. They will receive grades of S, N, or U in physical education.
- Students in grades six through twelve will receive grades A-F in all subjects.
- All students will receive grades of S, N, or U in conduct.

A = 90 - 100%
 B = 80 - 89%
 C = 70 - 79%
 D = 60 - 69%
 F = 0 - 59%
 I = 0%

A = Excellent Progress
 B = Above Average Progress
 C = Satisfactory Progress
 D = Lowest Acceptable Progress
 F = Unsatisfactory Progress
 I = Incomplete
 NA = Not Applicable this period

E = Excellent
 S = Satisfactory
 N = Needs Improvement
 U = Unsatisfactory

**VISION
 TOGETHER,

BEST STANDARDS PARENT GUIDES FOR ENGLISH LANGUAGE ARTS

The B.E.S.T. Standards for English Language Arts (ELA) are literacy standards for Florida students that will shape their education and make Florida the most literate state in the nation. The B.E.S.T. Standards will pave the way for Florida students to receive a world-class education and prepare them for a successful future. The links below contain a Parent Guide for each grade that include what each child know at the end of the grade along with learning activities and a recommended reading list.

BEST STANDARDS PARENT GUIDES FOR MATHEMATICS

Florida's B.E.S.T. Standards for Mathematics were developed with input from thousands of Floridians and countless hours of work from dedicated Florida educational leaders and mathematics teachers. Through this work, Florida's leaders are sending a strong, clear message that they are unwilling to be complacent. Our students are capable of unprecedented success. It is our responsibility to implement the infrastructure necessary to help them thrive. The mathematics teacher expert workgroups drew on the work of the National Council of Teachers of Mathematics (NCTM); expectations from national and international assessments such as ACT, SAT, NAEP and TIMSS; comments from public and specialty stakeholders and feedback from national mathematics and standards experts. The B.E.S.T. Standards for Mathematics will be fully implemented during the 2022-2023 school year.

NEW WORLDS READING INITIATIVE

The logo for New Worlds Reading features the words "new worlds reading" in a white, lowercase, sans-serif font. To the right of the text is a large, stylized orange bracket that curves upwards and then downwards, resembling a right-facing curly brace.

Your child may be eligible for a FREE at-home book delivery program

K-5 students enrolled in the New Worlds Reading Initiative will receive:

- A free new book in the mail each month (9 books per school year!)
- The chance to build a personalized library based on their interests
- Literacy resources for families to use together to build reading confidence
- Books available in English, Spanish, or Haitian Creole

Enrollment is easy!
Scan the QR code or visit
newworldsreading.com/enroll

[CLICK

to Enroll](#)

Florida's New Worlds Reading Initiative is a statewide program to advance literacy and a love of reading by shipping free books in English, Spanish, and Haitian Creole to Florida students in grades K-5 who are not yet reading on grade level. Contact your child's teacher if you have questions about eligibility.

**Thank you for allowing us to partner with you as you continue
to build your child's love of reading!**

FLORIDA STATEWIDE ASSESSMENT PROGRAM 2022–2023 SCHEDULE

The testing windows below denote the amount of time provided for districts and schools to select test administration days; they do not represent the amount of time students spend taking the assessments. The windows are established to provide maximum flexibility to efficiently deliver these important measurements of student progress and performance and maximize student learning and instructional time.

English Language Arts (ELA) Reading and Mathematics	
Dates	Assessment
May 1–June 2, 2023	Grades 3–10 FAST ELA Reading & Grades 3–8 Mathematics End-of-Year Comprehensive Progress Monitoring Assessment (Third Administration, "PM3")
Statewide Science Assessment	
Dates	Assessment
May 8–19, 2023	Grades 5 & 8 Science
End-of-Course (EOC) Assessments	
Dates	Assessment
September 12–30, 2022	Biology 1, Civics & U.S. History
November 28–December 16, 2022 May 1–26, 2023 July 10–21, 2023	Algebra 1**, Biology 1, Civics, Geometry** & U.S. History
Florida Standards Assessments (FSA) Retakes	
Dates	Assessment
September 12–30, 2022	Grade 10 ELA Reading Retake Grade 10 ELA Writing Retake Algebra 1 Retake Geometry***
February 20–March 10, 2023	Grade 10 ELA Writing Retake Grade 10 ELA Reading Retake Algebra 1 Retake

School districts establish daily testing schedules within these windows according to state-provided guidance. For more detailed scheduling information for a specific school or district, please visit that organization's website.

** The Algebra 1 and Geometry EOC assessments, aligned to Florida's Benchmarks for Excellent Student Thinking (B.E.S.T.) Standards, will be administered for the first time in winter 2022.

*** Final administration of the Geometry EOC Assessment aligned to the Florida Standards. Subsequent administrations of the Geometry EOC Assessment will be aligned to the B.E.S.T. Standards.

Family and Teacher Program Guides

Reflex Math

Adaptive and individualized, Reflex is the most effective system for mastering basic facts in addition, subtraction, multiplication and division for grades 2+. Full of games that students love, Reflex takes students at every level and helps them quickly gain math fact fluency and confidence. Educators and parents love the powerful reporting that allows them to monitor progress and celebrate success.

Logging into Reflex Math

1. Visit <https://launchpad.classlink.com/okeechobee>
2. Choose Reflex Math tile
3. Login using:
Teacher Login - use teacher's last name, select your class and then find student's name

Renaissance

STAR Reading, STAR Math, STAR Early Literacy, Accelerated Reader, Lalilio, Freckle, STAR Phonics, STAR CBM Reading, STAR CBM Math
Today, more than 40 percent of US schools rely on Renaissance solutions for data and insights to equitably move learning forward. As technology continues to change, and as teachers and students connect in new ways, our commitment to accelerating learning is unwavering—both inside and outside the classroom. We currently use the following Renaissance products: STAR Reading, STAR Math, STAR Early Literacy, Accelerated Reader, Lalilio, Freckle, STAR Phonics, STAR CBM Reading, STAR CBM Math.
Logging into Renaissance

1. Visit <https://launchpad.classlink.com/okeechobee>
2. Choose Renaissance
3. Student will be automatically logged in and can select the product they want to use.

Footsteps2Brilliance

The comprehensive Footsteps2Brilliance curriculum contains over 1,000 interactive books, songs, and games that can be read in either English or Spanish. It uses game-based methodology to engage students and inspire a love of learning. This content is appropriate for students in K-2 grade and struggling readers who need phonics support.

Logging into Footsteps2Brilliance

1. Visit <https://launchpad.classlink.com/okeechobee>
2. Choose Web links at the bottom and then select the Footsteps2Brilliance tile
3. Login using your student's super secret code

UNIQUE Learning

K-12 Students with a Significant Cognitive Disability

The award-winning Unique Learning System is a one-of-a-kind program designed specifically to give students with complex learning needs meaningful access to the general education curriculum. From one convenient, cloud-based platform, educators deliver differentiated, standards-aligned content enhanced by powerful assessments, data tools and evidence-based instructional support. Students from K through transition have the advantage of consistent high-quality instruction, a motivating interactive learning environment, engaging symbol support and a path to independence. Designed for students on a modified curriculum.

Logging into UNIQUE

1. Visit <https://launchpad.classlink.com/okeechobee>
2. Choose Student
3. Login using district credentials
4. Click on the three horizontal lines at the top right hand of the screen
5. Click "Sign In" and next click "Student"
6. Once you are logged in, a student folder with assignments will appear.
7. Use the following login information based on your child's grade level: Username and password to be provided by your child's teacher.

FAMILY AND TEACHER PROGRAM GUIDES

Khan Academy

Khan Academy offers practice exercises, instructional videos, and a personalized learning dashboard that empower learners to study at their own pace in and outside of the classroom. We tackle math, science, computer programming, history, art history, economics, and more. Our math missions guide learners from kindergarten to calculus using state-of-the-art, adaptive technology that identifies strengths and learning gaps. We've also partnered with institutions like NASA, The Museum of Modern Art, The California Academy of Sciences, and MIT to offer specialized content.

Logging into Khan Academy

1. Visit <https://launchpad.classlink.com/okeechobee>
2. Choose Weblinks at the bottom and then select the Khan Academy tile
3. Login using: click on Log in with Active Directory

Edmentum

Edmentum is the parent company for three products used in the district:

Exact Path combines adaptive diagnostic assessments with individualized learning pathways to promote growth for 6-12 grade students in math, reading, and language arts.

Study Island provides games and game-based Group Sessions. Your students can engage in meaningful practice and formative assessment when playing games and competing with their classmates.

Courseware online courses open up a world of content for students who are seeking to retrieve credit at high school or recover course at middle school. Students at OAA also use Courseware courses to attain first time credit.

Logging into Edmentum

1. Visit <https://launchpad.classlink.com/okeechobee>
2. Choose the appropriate tile for the program you will be using.
3. Login using: click on Log in with Active Directory

Google Classroom

Google worked with educators across the country to create Classroom: a streamlined, easy-to-use tool that helps teachers manage coursework. With Classroom, educators can create classes, distribute assignments, grade and send feedback, and see everything in one place. Your child may or may not have used Google Classroom during their regular school session. For those new to Google Classroom, teachers will be inviting students to join via the student's email.

Logging into Google Classroom

1. Visit <https://launchpad.classlink.com/okeechobee>
2. Choose Weblinks at the bottom and then select the Google Classroom tile
3. Will automatically login

Math Nation

Math Nation is a dynamic resource available to all math students and teachers in Florida! Aligned to the Florida Mathematics Standards by the University of Florida, Math is customized to help students succeed in 6th-8th Grade Mathematics, Algebra 1, Geometry, Algebra 2, and beyond.

Logging into Math Nation

1. Visit <https://launchpad.classlink.com/okeechobee>
2. Choose Weblinks at the bottom and then select Math Nation tile
3. Students should automatically be logged in.

Schoology

Schoology is a learning management system with assessment management to improve student performance, foster collaboration, and personalize learning. Teachers add resources and assignments to the platform. Student can access resources, complete assignments and upload work into Schoology

Logging into Schoology

1. Will open as a tab when a student signs on to his/her Chromebook
2. Login with network username and password

FAMILY AND TEACHER PROGRAM GUIDES

NewsELA

Fuel students' curiosity with over 10,000 texts across 20+ genres that go deep on any subject. It's all real-world content, so students practice accessing the complex texts they'll find inside and outside the classroom.

Every text comes with a quiz that's aligned to ELA standards for informational reading or literature, so teachers can focus on each student's individual skill development. Multiple levels mean students approach rigorous texts confidently. Real-time differentiation means teachers can include all students in every lesson, and no one ever feels left out of a discussion.

Logging into NewsELA

1. Visit <https://launchpad.classlink.com/okeechobee>
2. Choose Web links at the bottom and then select the Clever tile
3. Log into Clever and then select the Newsela tile in Clever. Student will automatically be logged in.

Gale Resources

Gale is a global leader in education, learning, and research resources online. We have a vast digital archive of research databases, reference books. (both eBook and print), and more!

Logging into Gale

1. Visit <https://launchpad.classlink.com/okeechobee>
2. Choose the Gale tile
3. There is no login for this resource during this time.

IXL

IXL provides online content in Math, English Language Arts, Science, Social Studies and Spanish. IXL Learning products are used in classrooms and homes in more than 190 countries around the world. We touch the lives of millions of educators and learners daily—from teachers providing personalized guidance to each student, to parents looking for high-quality educational games for their kids, to a university student tackling a foreign language, and more. IXL alone is used by over 400,000 teachers and over 8 million students (who have answered a whopping 60 billion questions to date!).

Logging into IXL

1. Students should have site bookmarked and know login info.

USATestprep

USATestprep, LLC is recognized as a nationwide leader in curriculum resources and test preparation for high schools, middle schools, and elementary schools. We offer a multitude of review products for subject area end-of-grade, end-of-course, graduation level, career readiness, and college entrance assessments. Our programs are tailored to both individual state and/or Common Core standards.

Logging into USATestprep

1. Visit <https://launchpad.classlink.com/okeechobee>
2. Choose the USATestPrep tile
3. Students should automatically be signed in through Clever.

THE EARLIER, THE BETTER

TUTORIAL PROGRAMS

Each elementary school has tutorial services for designated grades. These are designed to meet the individual needs of students. Call your school's counselor for information.

Tutorial services are available at Osceola Middle School and Yearling Middle School. Afternoon tutoring is provided at the Freshman Campus and Okeechobee High School. Tutoring can involve computer-assisted instruction as well as individual instruction.

The Freshman Campus and Okeechobee High School have academic after-school programs provided by the Migrant Education Program and Title III.

Academic Support Services personnel at the Dixon-Hendry Campus of Indian River State College provide tutoring for students in grades 9 - 12. High school students can come to the Academic Support Center, Room B-130, after high school hours for tutoring. Tutoring is available Monday-Thursday until 8:00 p.m. The college closes at 2:00 p.m. on Friday.

FloridaStudents.org is a collection of resources including tutorials created by Florida teachers and other resources located from all over the web to support student learning. For complete details and hours, please call IRSC (863) 824-6009.

OPPORTUNITIES FOR PARENT PARTICIPATION

Serving on School Advisory Councils

Parents are notified through the school newsletter regarding School Advisory Council meetings. All schools have an Advisory Council composed of a balanced number of parents, students, business/community representatives, school board employees, and the school's principal. The Advisory Council works toward achieving the School Improvement Plan goals which are based on the State Education Goals. Lottery funds are distributed to the schools for the Advisory Council to use toward fulfilling those goals. Call your child's school for more information.

Becoming a School Volunteer

Volunteers are vital to any school's staff. Some serve in the following capacities: classroom volunteers, clerical assistants, community resources, computer assistants, media assistants, mentors, and business partners. All volunteers are required to complete an application through Skyward which includes references and preferences as to areas in which they wish to volunteer. If you would like to volunteer contact the District Coordinator at (863) 462-5000 Ext. 1061. Contacts at school sites will be the Assistant Principals.

Parent/Teacher Meetings

Contact your child's school to see when the next Parent Teacher Organization (PTO) meeting will be held. Parents of ELL Students Parents/guardians of ELL students are encouraged to participate in our District Parent Leadership Council. For more information on our ELL program contact 462-5000, Ext. 1060.

MCKINNEY-VENTO HOMELESS ASSISTANCE ACT

The Federal McKinney-Vento Homeless Assistance Act states that children and youth who lack a fixed, regular, and adequate nighttime residence are considered homeless. If, due to a loss of housing, a child must live in a shelter, motel, vehicle, or campground, on the street, in abandoned buildings, or doubled-up with relatives or friends, then he/she is eligible to receive services provided under the McKinney-Vento Act. The McKinney-Vento Education for Homeless Children and Youth Program is designed to address the problems that homeless children and youth have faced in enrolling, attending, and succeeding in school. Under this program, state educational agencies must ensure that each homeless child and youth has equal access to the same free, appropriate public education, including a public preschool education, as other children and youth.

Under McKinney-Vento, children (PreK-12) have the right to:

- Continue to attend the school they last attended before they lost their housing (school of origin), if that is the parent/guardian's choice and is in the child's best interest, or the school which is zoned for their temporary residence.
- Enroll and attend classes immediately while the school arranges for the transfer of school and immunization records and other required enrollment documents.
- If necessary, enroll and attend classes in the school selected by the parent/guardian (school of origin or zoned school), while the school and the parent/guardian seek to resolve a dispute over which school is in the best interest of the child - NOTE: This does not mean any school in the district, only the school of origin or zoned school.
- Receive transportation to the school of origin (if a parent/guardian requests such transportation).
- Participate in any school programs and receive any school services for which they qualify.

If you are experiencing homelessness, please notify your child's school counselor or call 462-5000, Ext. 1066.

AFTER-SCHOOL ELEMENTARY CHILDCARE PROGRAM

After-School Daycare is offered at North, South, and Everglades Elementary schools for students in Pre-K to 5th grade. Students from Seminole will be shuttled to North Elementary, and students from Central will be shuttled to South Elementary to participate in the program. AfterCare provides an after-school snack, homework time, and group craft or outdoor activities from immediately after school until 5:45 pm. For more information about the program or to register, click on the website www.okee.k12.fl.us/aftercare or call (863) 462-5000 ext. 1042.

STUDENT COUNSELING & ACADEMIC ADVISEMENT

School Counseling Service is provided at all school sites during the school day for the following purposes:

- Academic Counseling
- Scheduling of Courses
- Career Information
- Personal Situations

Parents can schedule conferences with teachers by calling the Counselor's Office at their child's school.

SERVICES AVAILABLE FOR PARENTS

It has been proven that when parents are actively involved in their children's education, children perform better in school. You are just as important as your child's teacher in helping your child receive a good education. You can make a big difference just by being a part of your child's everyday school experience. All schools have agenda books, websites and newsletters to provide communication to parents.

“Mentoring Works!” “The number one indicator of success for a child is a good relationship with a caring adult.” Mentors assist students with goal setting, educational planning, career planning, and by supporting student success. The district has created and begun a community volunteer program called Building Uniquely Diverse and Dynamic Youth (BUDDY). Please apply at <http://bit.ly/BUDDYMentoring> or [click here](#) for the brochure with the QR code. Please call 863-462-5000 x 1040 for more information.

Big Brothers Big Sisters of Okeechobee County provides reading mentors at North, Seminole, South, and Everglades Elementary School. Children are matched with a “Big” and work to build a book-centered relationship focused on improving reading skills to K-3 graders. Referrals for this program must be made through the child's teacher. For more information on Big Brothers Big Sisters call (863) 824-2227 or www.bbbsbig.org.

Take Stock in Children program provides four-year college tuition scholarships to at-risk, low-income students in Okeechobee County. The students are selected during the ninth grade. Individual mentors are assigned to scholarship recipients. Parents interested in application, mentoring, or other program information, should call Indian River State College Foundation. (772) 462-7252.

AmeriCorps St Lucie, Indian River & Okeechobee Reads is a mentoring program that recruits members of the community and trains them in the art of reading tutoring. The tutors receive 100 hours of training and are then placed in Central or Seminole Elementary School. The selected schools refer K - 3 students who are below grade level in reading for intensive tutoring. AmeriCorps is a National and Community Service Program in which members commit to serving a minimum of 450 or 900 hours of service over an eleven month period. In return, they receive a modest living allowance and, upon successful completion of their term of service, an educational award that can be applied to furthering their education or paying down student loans. For more information on AmeriCorps, call (863) 824-2227.

Family Literacy Services: Each elementary school has general meetings to address literacy. Individual grade meetings are also organized for different school sites.

The Okeechobee County Public Library also works with family literacy by providing academic and enrichment programs for children and families (863) 763-3536.

FAU-Center for Autism and Related Disabilities (CARD) FAU CARD is a community based program providing assistance and supports to children and adults with autism spectrum disorder and related disabilities, their families, the professionals serving them, and the community. FAU CARD was established by the Florida Legislature, and is funded by the Florida Department of Education to provide assistance with; early identification of autism, referrals to therapeutic interventions, trainings to decrease difficult behaviors and increase communication and social skills, transitioning to employment, and information about supplemental funding supports. Registered clients receive individualized attention to meet specific needs. All services are free. Contact your Okeechobee Clinical Specialist (772) 873-3422.

WHAT IS THE SCHOOL DISTRICT DOING TO ENSURE YOUR CHILD IS SAFE AT SCHOOL?

Employee Training	
Active Shooter Response	Bullying, Harassment, Sexual Harassment Modules
Supervision Training for all school staff and bus drivers	Extensive Background Screening of Employees and Volunteers
SESIR Training for Admin. and Deans (annually)	Emergency Action Procedures Guide
Stop the Bleed	Mandatory Child Abuse Reporting Training
Title IX Modules	Monthly Fire and Emergency Drills
Trauma Informed Care	Safety Assessment and Intervention
Youth Mental Health First Aid	Threat and Suicide Assessment
School Hardening	
Security fencing to create a single points of entry	Electronic locking system at main entrances
Installation of school security cameras	Tinting on selected doors and windows
Locked classroom doors	Opaque covering on windows within doors
Marked safe spaces in each classroom	Compliance with Alyssa's Law
Supervision	
School Resource Officers at every school	Security walk-throughs with first responders
Participation in the Guardian program to include classroom teachers	Host Special Weapons and Tactics trainings on school campuses
Alternative School for students needing a more restrictive environment	School Security Validation Checklist with Sheriff's Department and District Administration
Threat Response	
Revised threat and suicide assessment protocol	Every threat to self or others is assessed
Employment of district crisis counselors and school psychologists	Intensive Tier 3 interventions to meet students' needs
Individualized safety plans for students identifying threat to harm themselves or others	School Level Threat Assessment Teams meet monthly
Substance Abuse	
Substance Abuse Instruction	Referrals for Alternative Placement
Partnership with DATA for substance abuse counselors at the secondary level	Random drug testing for students participating in privileged school activities
Prevention Curriculum	
Positive behavioral intervention and support (PBIS) at each school	Five hours of Mental Health & Wellness in grades K-12 through monthly wellness videos
Implementation of Child Trafficking curriculum	Teen Safety Matters/Child Safety Matters
Sandy Hook Promise – Say Something & Start with Hello	Healthy Relationships (Martha's House)
Check-In Check-Out	Stranger Danger
Sources of Strength	Second Step – Grades K-8
Online Safety and Reporting Tools	
Implemented Suspicious Reporting App called FortifyFL (getfortifyfl.com)	Securely software to identify online threats to self or others
Online Safety Instruction prior to students accessing using CyberSafety, NetSmartzKids and NSTeens	Student and staff access to academic programs via the ClassLink portal
Crime Stoppers Hotline advertisements	Crime Watch Organizations at each school
Recognizing the Need for Help	
Early warning system to identify students needing support	Universal screenings to identify students needing assistance
School counselors at all schools	Access to Florida School Safety Portal
Functional Behavioral Assessments	Behavior intervention plans
Services for Students and Families	
Family engagement activities	Employment of district social workers
Licensed mental health counseling at all schools	District Behavior Interventionists
Youth Coordinators to help students with "at risk" behaviors	Management of emotional and mental support through school based intervention with district and community agencies

MIDDLE SCHOOL

To be promoted from middle school a student must successfully complete:

- 3 middle school or higher, year-long courses in English (1 successfully completed course in reading may be substituted for an English course that the student has taken but not passed);
- 3 middle school or higher, year-long courses in Mathematics;
- 3 middle school or higher, year-long courses in Science;
- 3 middle school or higher, year-long courses in Social Studies.
- A Career and Education Planning Course that may be taught in 6th, 7th, or 8th grade and must result in a completed personalized academic and career plan for the students and emphasize technology or the application of technology in career fields.

Eighth grade students who score Level 1 on FAST ELA will be enrolled in intensive reading and Pre-AP English the following year.

In addition students will be able to take classes in music, physical education, agriculture, art, and technology. These courses are semester-length courses. Any deviation from the course of study for middle school students must be approved by the Principal.

ACADEMICALLY CHALLENGING CURRICULUM TO ENHANCE LEARNING (ACCEL) OPTIONS

ACCEL options are educational options that provide academically challenging curriculum or accelerated instruction to eligible students in kindergarten through grade 12. Options available to students may vary by school and by level (elementary, middle school, high school) and include whole-grade and mid-year promotion, subject-matter acceleration, virtual instruction in higher grade-level subjects, Credit Acceleration Program. Additional options that may be available at a school are enriched science, technology, engineering, and mathematics (STEM) coursework; enrichment programs; flexible grouping; advanced academic courses; combined classes; self-paced instruction; curriculum compacting; advanced-content instruction; and telescoping curriculum. Please contact your child's school to learn more about ACCEL options.

ADVANCEMENT VIA INDIVIDUAL DETERMINATION (AVID)

AVID'S MISSION IS TO CLOSE THE ACHIEVEMENT GAP BY PREPARING ALL STUDENTS FOR COLLEGE READINESS AND SUCCESS IN A GLOBAL SOCIETY.

THE STUDENT INFORMATION SYSTEM FOR OKEECHOBEE COUNTY SCHOOLS IS SKYWARD

Part of this system is a Family Access portal. Through this portal, parents are able to check their student(s) grades, assignments, attendance, and other student information. In order to receive your login and password information, you must go to the school that your child attends and present an ID. If you have children in more than one school, you need only go to one of the schools. The login and password can not be mailed or given over the phone. Only guardians listed within our system will be able to receive this information. The link to access the Family Access portal can be found on our county webpage. <http://www.okee.k12.fl.us>. Please just look for "Skyward Family Access" under QUICK LINKS on the main page.

LEARNING THE BASICS OF INTERNET SAFETY

Children use a variety of online services, and each of these services can have different safety concerns. However, there are some basic tips which you can employ no matter how your children use the Internet.

- Keep the computer in a high-traffic area of your home.
- Establish limits for which online sites children may visit and for how long.
- Remember that Internet technology can be mobile, and make sure to monitor cell phones, gaming devices, and laptops.
- Surf the Internet with your children and let them show you what they like to do online.
- Know who is connecting with your children online and set rules for social networking, instant messaging, e-mailing, online gaming, and using webcams.
- Continually dialogue with your children about online safety.

Start a discussion with your child

- What are your favorite things to do online?
- What is personal information? Why should you keep it private?
- What could you do to be safer online?
- What would you do if anyone online asked to meet you face-to-face?
- Besides me, who do you feel that you can talk to if you are in a scary or uncomfortable situation

Great resource for both parents and students: www.netsmartz.org

CHROMEBOOKS

Okeechobee County Schools provides a Chromebook to every student to use in the classroom. Students in grades 6-12 are able to take their Chromebooks home at night to use for homework and unfinished classwork. The OCSB Chromebook Handbook can be found [here](#). We offer parents the option to purchase Chromebook Insurance each year for \$20 which will cover minor damages such as broken screens, broken chargers, and broken keyboards. For more information on the insurance, please see the Chromebook Handbook.

FEDERAL PROGRAMS

Title I, Part A

Improving the Academic Achievement of the Disadvantaged

- All Okeechobee schools are Title I schoolwide projects.
- Provides supplemental materials and personnel at Title I schools including Reading Coach positions and paraprofessionals to support effective instruction and student learning.

Title I, Part C

Education of Migratory Children

- Serves approximately 650 children at all ten school sites
- Migrant Advocates services are available at all schools for all Migrant students and families
- Before/after-school tutorial available at secondary schools (Middle and High School)
- Migrant Summer Camp opportunities: Reading & Math for grades K-8, Middle School STEM, Migrant Theater Camp for grades 3-12
- English classes are available for Migrant parents. For more information, call 863-462-5000 Ext. 1066

Title I, Part D

Delinquent & At-Risk Youth Programs

- Provides supplemental services for students in one Juvenile Justice facilities in Okeechobee County and paraprofessional to support student learning at Okeechobee Achievement Academy.

Title III

Supplemental Instructional Support for English Language Learners

- Program designed to help ensure that children who are limited English proficient attain English proficiency, develop high levels of academic achievement and meet the same challenging state academic content and achievement standards as all children.
- For more information, contact the Office of Student Services at 462-5000 Ext. 1060.

Title IV

Student Support and Academic Enrichment (SSAE)

Improves student academic achievement by:

- Providing all students with access to a well-rounded education
- Improving school conditions for student learnings to support safe and healthy students, and
- Improving the use of technology in order to advance digital literacy of all students.

Title V

Rural and Low Income Schools

- Provides supplemental funding to help meet the needs of rural and low-income districts.
- Services partially funded by Title V include the AVID Program, Graduation Coach, Behavior Interventionist, and Teacher Certification Support.

McKinney-Vento

- Provides support to children and youth who lack a fixed, regular, and adequate nighttime residence are considered homeless.

INFORMATION

For more information, contact the Office of Grants & Special Programs at (863) 462-5000 ext. 1066

HIGH SCHOOL

High School includes grades 9 – 12 and is designed to prepare students to meet the challenges of adulthood by developing their academic, leadership, and citizenship skills. At the high school level, students start making choices about the design of their academic programs. They are able to customize their course of study with a career in mind, or may choose to take a variety of electives in order to help them make a decision about their future career path. For those students who choose to attend college after graduation, the increased rigor of the academic classes will help to prepare them for a less restrictive more self-directed study environment.

- **Okeechobee High School/Freshman Campus** serves only ninth graders. OFC's main building is the result of a historical renovation of the original Okeechobee High School building.
- **Okeechobee High School**, home of the Brahmans, serves tenth through twelfth graders.
- **Okeechobee Achievement Academy** serves students in need of additional support.

Instructional Levels

At each secondary grade level from 8th through 12th grades, there are established optional instructional program levels within the subject areas. These instructional levels are identified in the Florida Course Code Directory. Students are assigned to the levels based on individual evaluation of the student's academic achievement level. If the student is performing below grade level they will be assigned to a remedial class. If they are prepared to experience a more rigorous academic opportunity they may be scheduled into an honors curriculum.

At the high school level, if your child's cumulative grade point average falls below 2.5 on a 4.0 scale you will be notified that your child is at risk of not meeting the graduation standards and a conference will be suggested.

Students who score at Level 1 on the ELA portion of the FAST (administration 3) will be offered an intensive reading course the following year. Level 2 readers will be offered an intensive reading course or a content area course in which reading strategies are delivered. High school students scoring at Level 1 or Level 2 on FAST Algebra may be offered remediation the following year.

Exit Interview of Students

Florida statute requires the student's counselor or other school personnel to conduct an exit interview with the student to determine the reasons for the student's decision to drop out of school and what actions could be taken to keep the student in school. The student must be informed of the opportunities to continue his or her education in a different environment, including, but not limited to, adult education and GED test preparation. Additionally, the student must complete a survey in the format prescribed by the DOE to provide data on student reasons for terminating enrollment and actions taken by schools to keep students enrolled.

GRADUATION

GRADUATION REQUIREMENTS

In order to graduate a student must meet the following conditions:

1. Earn a cumulative 2.0 GPA on a 4.0 scale.
2. Earn a passing score on the 10th grade FAST ELA and FAST Algebra or an acceptable concordant score on ACT or SAT.
3. Earn credits in the courses required by one of the graduation plans listed below that has been selected by the student.

Standard High School Diploma Plan (4 year plan) – 24 credits

Accelerated College Preparatory Diploma Plan (3 year plan) – 18 credits

Accelerated Career Preparatory Diploma Plan (3 year plan) – 18 credits

EARLY GRADUATION

Students who complete a minimum of 24 credits, achieve a cumulative grade point average of 2.0 on a 4.0 scale and earn a passing score on the statewide assessments required for high school have an option to graduate in fewer than eight semesters (four years). A student who graduates from high school midyear may receive an initial Bright Futures Scholarship award during the spring term following the student's graduation, as long as the student applies for the scholarship award no later than August 31 of the student's graduation year.

EXTRA-CURRICULAR ACTIVITIES (INCLUDING ATHLETICS AND BAND)

Students who want to participate in an extra-curricular program must practice good self-control and good citizenship. In order to maintain eligibility a student must earn a 2.0 or higher cumulative GPA depending chosen activity.

POST-HIGH SCHOOL EXPERIENCE

It is the goal of the Okeechobee County School System that each graduate is prepared to enter some post-secondary institution or the workforce upon graduation. This may include any university, community college, vocational institution, technical institution, internship program, the military, or a job-training program. In order to enter a college a student must submit ACT or SAT scores that meet minimum requirements. In order to take advantage of these experiences the student may be required or advised to take one or more of the following standardized tests:

- **American College Testing Program (ACT)** – This test is used for college admission and is designed to measure classroom achievement in four areas: English, mathematics, reading, and science.
- **Armed Services Vocational Aptitude Battery (ASVAB)** - Is a test which identifies a students skills and competencies in preparing for the workforce.
- **Postsecondary College Readiness Test (PERT)** - 10th and 11th graders - A test administered to assess their basic computation and communication skills in preparation for their entry into a degree program at a state college or university. The test includes Reading, Writing, and basic Mathematics sections.
- **Pre-Scholastic Aptitude Test (PSAT)** – designed for sophomores or juniors (and designated freshman). It can be used as practice for the SAT, which the student will take the following year. In the 11th grade it is used to determine which students will participate in the National Merit Scholarship Program.
- **Scholastic Aptitude Test (SAT)** – This test is used for college admission and is designed to measure general verbal and mathematical abilities.

Florida Student Scholarship Grant Programs

Office of Student Financial Assistance Login ▾

First-Time Applicants

Students must submit a completed Florida Financial Aid Application (FFAA) to OSFA for programs denoted by an asterisk (*). In order to apply for State Scholarship & Grant Programs, a student must first [Create a Student Account](#). After logging into your account, you may proceed to complete the FFAA.

State Scholarship and Grant Programs

- Access to Better Learning and Education Grant
- Benacquisto Scholarship Program (FAQ)
- Bright Futures Scholarship*
- Effective Access to Student Education
- First Generation Matching Grant
- Florida Farmworker Student Scholarship*
- Florida Student Assistance Grant - Career Education
- Florida Work Experience Program
- José Martí Scholarship Challenge Grant*
- Mary McLeod Bethune Scholarship
- Minority Teacher Education Scholarship
- Rosewood Family Scholarship*
- Scholarships for Children and Spouses of Deceased or Disabled Veterans* (Award Amounts)

Eligible Institutions

High Schools:
Verify if your high school is a participating Florida public or private high school.

Postsecondary Institutions:
Verify if the postsecondary institution you are planning to attend is eligible to disburse state aid.

Standard Diploma Requirements

Academic Advisement – What Students and Parents Need to Know

What are the diploma options?

Students must successfully complete one of the following diploma options:

- 24-credit standard diploma
- 18-credit Academically Challenging Curriculum to Enhance Learning (ACCEL)
- Career and Technical Education (CTE) Pathway
- Advanced International Certificate of Education (AICE) curriculum
- International Baccalaureate (IB) Diploma curriculum

What are the state assessment requirements?

Students must pass the following statewide assessments:

- Grade 10 English Language Arts (ELA) or a concordant score
- Algebra 1 end of course (EOC) or a comparative score

Refer to [Graduation Requirements for Florida's Statewide Assessments](#) for concordant and comparative scores.

Students enrolled in the following courses must participate in the corresponding EOC assessment, which constitutes 30 percent of the final course grade*:

- Algebra 1
- Geometry
- Biology 1
- U.S. History

*Special note: Thirty percent not applicable if not enrolled in the course but passed the EOC (credit acceleration program [CAP]).

What is the difference between the 18-credit ACCEL option and the 24-credit option?

- 3 elective credits instead of 8
- Physical Education is not required
- Online course is not required

What is the difference between the CTE Pathway option and the 24-credit option?

- At least 18 credits are required
- 4 elective credits instead of 8
 - 2 credits in CTE courses, must result in completion and industry certification
 - 2 credits in work-based learning programs or up to 2 elective credits including financial literacy
- Physical Education is not required
- Fine and Performing Arts, Speech and Debate, or Practical Arts is not required
- Online course is not required

24 Credit Standard Diploma

4 Credits ELA

- ELA 1, 2, 3, 4
- ELA honors, Advanced Placement (AP), AICE, IB and dual enrollment courses may satisfy this requirement

4 Credits Mathematics*

- One of which must be Algebra 1 and one of which must be Geometry
- Industry Certifications that lead to college credit may substitute for up to two mathematics credits (except for Algebra 1 and Geometry)
- An identified computer science** credit may substitute for up to one mathematics credit (except for Algebra 1 and Geometry)

3 Credits Science

- One of which must be Biology 1, two of which must be equally rigorous science courses
- Two of the three required course credits must have a laboratory component
- Industry Certifications that lead to college credit may substitute for up to one science credit (except for Biology 1)
- An identified computer science** credit may substitute for up to one science credit (except for Biology 1)

3 Credits Social Studies

- 1 credit in World History
- 1 credit in U.S. History
- 0.5 credit in U.S. Government
- 0.5 credit in Economics

1 Credit Fine and Performing Arts, Speech and Debate, or Practical Arts*

1 Credit Physical Education*

- To include the integration of health

8 Elective Credits

1 Online Course

Students must earn a 2.0 grade point average (GPA) on a 4.0 scale for all cohort years and pass statewide, standardized assessments unless a waiver of assessment results is granted by the IEP team for students with disabilities.

* Eligible courses are specified in the [Florida Course Code Directory](#).

**A computer science credit may not be used to substitute for both a mathematics and science credit.

[Click here](#)

REQUISITOS DE DIPLOMA ESTÁNDAR [CLICK HERE](#).

Scholar Diploma Designation

In addition to the requirements of section (s.) [1003.4282](#), Florida Statutes (F.S.), a student must satisfy the following requirements (per. s. [1003.4285](#), F.S.):

- Earn 1 credit in Algebra 2 or an equally rigorous course
- Pass the Geometry EOC
- Earn 1 credit in Statistics or an equally rigorous mathematics course
- Pass the Biology 1 EOC*
- Earn 1 credit in Chemistry or Physics
- Earn 1 credit in a course equally rigorous to Chemistry or Physics
- Pass the U.S. History EOC*
- Earn 2 credits in the same World Language
- Earn at least 1 credit in an AP, IB, AICE or a dual enrollment course

*A student is exempt from the Biology 1 or U.S. History EOC assessment if the student is enrolled in an AP, IB or AICE Biology 1 or U.S. History course; takes the respective AP, IB or AICE assessment; and earns the minimum score to earn college credit.

Merit Diploma Designation

- Meet the standard high school diploma requirements
- Attain one or more [industry certifications](#) from the list established (per s. 1003.492, F.S.)

What are the additional graduation options for students with disabilities ?

Two additional options are available only to students with disabilities. Both allow students to substitute a CTE course with related content for one credit in ELA 4, mathematics, science and social studies (excluding Algebra 1, Geometry, Biology 1 and U.S. History). The two options are as follows:

- Students with significant cognitive disabilities may earn credits via access courses and be assessed via an alternate assessment.
- Students who choose the academic and employment option must earn at least 0.5 credit via paid employment.

What is the CAP?

The CAP allows a student to earn high school credit if the student passes an AP examination, a College Level Examination Program (CLEP) or a statewide course assessment without enrollment in the course. The courses include:

- Algebra 1
- Geometry
- Biology 1
- U.S. History

State University System (SUS)

Admission into Florida's public universities is competitive. Prospective students should complete a rigorous course of study in high school and apply to more than one university to increase their chance for acceptance. To qualify to enter one of Florida's public universities, a first-time-in-college student must meet the following minimum requirements (credit earned by industry certification does not count for SUS admission):

- High school graduation with a standard diploma, a minimum of a 2.5 GPA, and admission test scores meeting minimum college-ready test scores per Board of Governors (BOG) Regulation 6.008
- 16 credits of approved college preparatory academic courses per BOG Regulation 6.002
- 4 English (3 with substantial writing)
- 4 Mathematics (Algebra 1 level and above)
- 3 Natural Science (2 with substantial lab)
- 3 Social Science
- 2 World Language (sequential, in the same language or other equivalents)
- 2 approved electives

[State University System of Florida](#)

The Florida College System

The 28 colleges of the Florida College System serve nearly 800,000 students. Colleges offer affordable and stackable workforce credentials including certificate programs, associate in science degrees and associate in arts degrees, which transfer to a bachelor's degree program. Many colleges also offer workforce bachelor's degree programs in areas of high demand. All Florida College System institutions have open-door admissions for students who earned a standard high school diploma or an equivalent diploma or successfully earned college credit.

[Florida College System](#)

Career and Technical Colleges and Centers

Florida also offers students 49 accredited career and technical colleges or centers throughout the state, which provide the education and certification necessary to work in a particular career or technical field. Programs are flexible for students and provide industry-specific education and training for a wide variety of occupations.

[Career and Technical Education Directors](#)

Where is information on financial aid located?

The Florida Department of Education's Office of Student Financial Assistance administers a variety of postsecondary educational state-funded grants and scholarships.

[Office of Student Financial Assistance](#)

EARNING COLLEGE CREDIT IN HIGH SCHOOL

Students may earn college credit in high school through any of the following programs for which they are eligible:

Advanced Placement

Advanced Placement (AP) is the enrollment of an eligible secondary student in a course offered by the Advanced Placement Program administered by the College Board. Postsecondary credit for an AP course may be awarded. Students should consult their college requirements/policies. Students who are enrolled in an Advanced Placement course and earn the minimum score necessary to earn college credit are not required to take the state end-of-course assessment for that subject.

Credit Acceleration Program (CAP)

The purpose of the Credit Acceleration Program (CAP) is to allow a secondary student to earn high school credit in courses required for high school graduation through passage of an end of course assessment in Algebra I, Biology, Geometry, and/or United States History or an Advanced Placement or College Level Examination Program (CLEP) test. Notwithstanding Florida Statutes 1003.436, definition of "credit", a school district shall award course credit to a student who is not enrolled in the course, or who has not completed the course, if the student attains a passing score on the corresponding end of course assessment, Advanced Placement exam or CLEP test. The district shall permit a public school or home education student who is not enrolled in the course, or who has not completed the course, to take the assessment or exam during the regular administration of the assessment or exam.

Dual Enrollment

The dual enrollment program is defined as the enrollment of an eligible secondary student or home education student in a postsecondary course creditable toward high school completion and a career certificate or an associate or baccalaureate degree. The School District of Okeechobee County and Indian River State College operate under a Dual Enrollment Contract. College credit and vocational certificate courses may be offered to high school students pending the approval of the high school principal. Students enrolled in an approved dual enrollment course are exempt from the payment of registration, tuition, and laboratory fees

a. Requirements for students to be admitted in a dual enrollment course:

(1) Students must have completed at least one semester of 9th grade and have earned a minimum of 4 high school credits, and a cumulative unweighted

EARNING COLLEGE CREDIT IN HIGH SCHOOL (CONT.)

unweighted high school grade point average of 3.0 or better and/or the approval of their high school principal.

(2) Students must meet the same entrance requirements as students desiring to enroll in the same courses on the college campus and have the approval of the high school principal.

(3) Dual enrollment course offerings are limited to approved courses at Indian River State College. Students must receive prior approval from their principal to enroll. Courses not taken at IRSC are not covered by the Dual Enrollment Contract and therefore are not eligible for tuition and instructional materials reimbursement by OCSB. This includes talent identification programs, college summer programs, summer camps and courses at schools other than IRSC.

(4) College ready scores are required for all students participating in dual enrollment. Grades earned in dual enrollment courses will carry the same grade weight as Advanced Placement courses when grade point averages are calculated.

(5) Any college credit course comprising 3 credits or higher and/or any vocational clock hour course comprising 75 hours or higher that is listed in the State Common Course Numbering System (SCNS) for post-secondary credit can be considered for Dual Enrollment. Courses that meet high school graduation requirements are listed in the DUAL ENROLLMENT COURSE EQUIVALENCY LIST. All high schools shall accept these post-secondary courses toward meeting the requirements of Section 1003.43, F.S.

Early College Admissions (Full-Time College)

Students may enter college full time during their senior year if the following criteria are met:

- The student must successfully complete the 11th grade with enough credits to be classified as a senior.
- The student must have achieved at least a 3.0 cumulative unweighted grade point average during his/her sophomore and junior year.
- The student must have the approval of the high school principal.
- Students must meet the same entrance requirements as students desiring to enroll in the same courses on the college campus, have earned a college-ready score as indicated above, and have the approval of the high school principal.
- Students entering the Early College Admission Program may earn a high school diploma to be awarded with the student's class at graduation or at a later time based on the following:

- The student must demonstrate mastery of skills measured by state standardized assessments.
- The student must earn sufficient college credit to fulfill the remaining high school graduation requirements (based on three semester hours equaling one-half high school credit).
- The student must maintain at least a 2.0 GPA in college courses.

VIRTUAL SCHOOL: WHICH OPTION IS RIGHT FOR ME? **Okeechobee Virtual School**

Okeechobee Virtual School (OVS) was created as yet another choice for a quality education within the district. OVS has partnered with Florida Virtual School to offer high quality curriculum yet have access to local teachers. OVS offers all core courses which are required for graduation for grades K-12, and many elective courses including some Advanced Placement Courses(AP). There are two options for OVS:

With OVS Full Time, you can:

- Take courses for FREE, if you are a resident of Okeechobee County or in a surrounding county with a waiver from your home county.
- The teachers are employees of the Okeechobee County School Board and therefore held to the OCSB standards for quality.
- Take a full-time, online, course load at home.
- Do course work online, but maintain a traditional, 180-day school calendar and schedule.
- Take up to six courses per semester.
- Be a full-time, online student.

With OVS Flex (secondary only), you can:

- Take courses for FREE, if you are a resident of Okeechobee County or in a surrounding county with a waiver from your home county.
- The teachers are employees of the Okeechobee County School Board and therefore held to the OCSB standards for quality.
- Open Enrollment Windows will be advertised but will typically be 30 days prior to a semester beginning.
- Take a single course or multiple courses to supplement your schedule.
- Keep your traditional school as the school of record.
- The traditional school keeps your transcript and determines when graduation requirements are met.
- Meet online course graduation requirements.
- Homeschool students are registered with the Okeechobee County School District. That means the records are maintained by the school district and the parent/guardian is responsible for curriculum.

As a homeschool student, we know that you have choices in how and when you learn. So, whether you are looking for a single course or a full-time solution, you and your family can enjoy more flexibility with OVS.

Enrollment

There are enrollment deadlines for OVS. Find out how to enroll by:

- Contacting Okeechobee Achievement Academy (OAA) which is home to OVS by calling 863-462-5125 or emailing audie.ash@okee.k12.fl.us or
- Access New Student Enrollment Portal
 - If you have a child currently enrolled in an Okeechobee County School, then you may access the New Student Enrollment Portal from your Skyward Family Access by [clicking here](#).
 - If you do not have a child enrolled in an Okeechobee County School, please submit a Portal Account Request by [clicking here](#).

Drop/Withdrawal

Okeechobee Virtual School sets high expectations for the success of its students. We are committed to meeting the needs of all students and will work tirelessly to facilitate student success. To ensure continuity of learning, students must submit assignments in their course on a weekly basis and maintain regular contact with their instructors.

- Any student who does not make progress in the course for a period of 14 calendar days and has not made prior arrangements with his/her instructor will be scheduled for a Success conference to organize additional support and progress monitoring.
- Mr. Ash, assistant principal, will work with the student, parent, and the course instructor to create a Success Plan for the student.
- Failure to respond to attempts to contact the student, or failure to adhere to the Success Plan created by the student and family may result in Administrative Removal from the course with a W/Withdrawn-F grade.

Note: W/Withdrawn- No grade: (No academic penalty) Student must withdraw during the 14-day grace period to receive no penalty. W/Withdrawn- F grade: Student withdrew with unsatisfactory performance after the 14-day grace period.

Florida Virtual School

FLVS is a public school district in the state of Florida and has several different types of school options to serve Kindergarten-12th grade students. To learn more, [click here](#).

CAREER EDUCATION

All secondary schools offer multiple career and technical education programs designed to provide a link between academic performance and the workplace. The goal of Career Education is to provide students with real-world, hands-on instruction that gives meaning and incentive to learn the material presented in academic classes.

For School-to-Career planning, *FloridaShines* works with the state's 40 colleges and universities and other partners to help you succeed in school and beyond. Check your transcript. Register for an online course. Search libraries across the state. And a whole lot more. All designed to help Florida students shine.

The Florida Virtual Campus (FLVC) is a statewide provider of innovative educational services for Florida's K-20 community. Working collaboratively with the state's 12 public universities, 28 public colleges, K-12 school districts, and other partners, FLVC provides services that help students succeed in school and life after graduation. Those services include:

- An array of academic advising, career readiness, and distance learning resources for students and parents, available through the FloridaShines website
- Support for the academic libraries at the state's public colleges and universities, including a discovery tool used by students and faculty to access library resources and an integrated library management system used by library staff
- Tools and training materials used by academic advisors, distance learning staff, librarians, and other staff at Florida's public colleges and universities to provide services to their students and faculties.

After selecting a career, students at OHS may choose to enroll in the following programs:

- Automotive Maintenance and Light Repair
- Technical Agriculture Operations
- Building Construction Technology
- Animal Science and Services
- Digital Design
- Aquaculture
- Nursing Assistant

After completing a program, students may gain additional college credits with Indian River State College through an articulation agreement.

To explore even more careers, upperclassmen may decide to participate in the internship program. After researching an occupation and completing a resume, students have an opportunity to intern in businesses throughout Okeechobee County.

By providing such comprehensive services in career and technical education, students should be able to select a career based on their interests, enroll in courses that provide technical skills needed in that career area, potentially earn college credit, and, most importantly, enter employment well prepared to work.

COLLEGE & CAREER PLANNING SERVICES

The Okeechobee High School College and Career Center offers a variety of services for students and families to plan for graduation and college and career success. Starting in 8th grade, students participate in a Career Fair and attend a spring tour of OHS Career and Technical programs. Parents of Freshmen and Sophomores are offered evening scheduling to increase involvement in their student's graduation plan. Dual Enrollment (DE) classes are offered in a variety of academic subjects and career fields. PERT, SAT, and ACT are offered at various times of the year to determine college and career readiness. Sophomores take PSAT in the fall. Juniors take PSAT/NMSQT to enter in the National Merit Scholarship competition. Juniors take SAT School Day in March. All students have access to Khan Academy for free SAT test prep. OHS hosts College Fair Day and Career Day in the fall and Financial Aid Night in January. FAFSA Nights occur frequently for Seniors and their parents to assist with the Federal Student Aid application. The ASVAB (Military) test is given twice a year. Contact the College and Career Center in the Guidance office for more information.

EDUCATIONAL CHOICE IS AN OPTION

Controlled Open Enrollment

The School District of Okeechobee allows parents to declare school attendance preferences. This system is called Controlled Open Enrollment. Parents may choose to apply for a “zone waiver” for any school of their choice that has not reached capacity. Zone waivers are approved through a lottery system. For any student who attends a school on a zone waiver, the parents must provide transportation to and from school. For more information about Controlled Open Enrollment, please contact the Student Services Office at 863-462-5000 ext. 1060.

Students may be assigned to the **“alternative school”** if they have been in trouble in the community or need specialized programs.

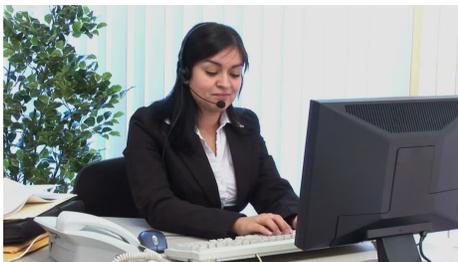

A parent of a special education student or a student with a 504 plan may request a different public school or receive a scholarship to attend a private school through the “John McKay Scholarship Program”. In order to take advantage of this option parents can contact the Exceptional Education Office at (863) 462-5000 Ext. 1055 for more information. You can access information at www.floridaschoolchoice.org.

A parent may choose to enroll their child (grades K-12) in Florida Virtual School internet computer-based public school. Contact your child's School Counselor for more information.

Parents also have a choice of enrolling their child in a **“Home School Program”**. They are responsible for educating their own child and reporting annually to the superintendent about their progress. Information on the Home Education Program is available from the county office (863) 462-5000 Ext. 1060.

ENGLISH LANGUAGE LEARNERS (ELL)

Students identified as English Language Learners are served according to provisions of the Okeechobee County School Board District ELL Plan. This plan establishes procedures for identification, assessment, comprehensive instruction, parental involvement and personnel training regarding services to students with limited English proficiency. Copies of the District ELL Plan are available at the School Board Office, room 306. In addition, parents/guardians of ELL students are encouraged to participate in our District Parent Leadership Council. For more information on our ELL program contact 462-5000, extension 1060.

OKEE.HELPDESK@OKEE.K12.FL.US

THE EMAIL WILL BE ROUTED TO THE APPROPRIATE SCHOOL OR DEPARTMENT.

SCHOOL-BASED INTERVENTION AND SUPPORT

Every child's path to a successful goal of a diploma is not always the same. Some children may need additional supports to master that goal. During your child's school years, you will be meeting with the staff of your child's school to discuss the specific issues and educational needs of your child. A teacher along with an administrator and/or school counselor may request to have a team of professionals meet to discuss your child's academic, communication, behavior, or emotional concerns. The different teams are called the Grade Content Team or the School Problem Solving Team (SPS Team). The team reviews your child's records and progress and assists in identifying and analyzing concerns. Interventions (or tiered levels) are recommended by the team, and a plan to monitor your child's response and determine the level of progress is developed. The team regularly reviews your child's response to interventions. This is known as the Multi-Tiered System of Supports (MTSS). MTSS is a framework that helps promote the success of every child. Okeechobee County Schools uses an array of academic monitoring tools and assessments to determine the best educational decisions for students. In addition, behavioral concerns are addressed through the Positive Behavior Intervention and Support (PBIS). The goal of PBIS is to build effective school-wide environments in which positive behavior promotes better academic success. Social emotional learning (SEL) curricula is also used in our district to help promote whole child wellness. Contact a school administrator for more information.

Sometimes a student, despite appropriate interventions, continues to exhibit academic and/or behavioral concerns. In those cases, the SPS Team may invite the school psychologist to work with the team in developing an evaluation plan. The evaluation is to assist the SPS Team in educational planning and programming and to help determine if your child is eligible for Exceptional Students Education (ESE) services provided by the Individuals with Disabilities Education Information Act (IDEIA). Each school in our district, in addition to a counselor, has a school psychologist, ESE Resource Specialist and a behavior interventionist that you may contact. This person will help you with any concerns or questions regarding the interventions, referral for testing process, the actual testing or ESE programs, and services in which your child is involved. Contact the ESE office (863) 462-5000 Ext. 1055. In addition to tiered interventions through MTSS, there is a district school social worker and three crisis counselors available to all students needing support for emotional and/or mental health needs. If interested in these services contact the Department of Mental Health and Behavioral Supports office (863) 462-5000 Ext. 1099, or contact your child's school counselor to make a referral.

In line with Senate Bill 7030 written into law in 2019, Okeechobee County Schools participates in a Universal Screening process of all students. This process includes a mental health/behavioral form supported by the Positive Behavioral Interventions and Supports (PBIS) system. It will be used to help school administration, leaders, and teachers nominate students based on the prevalence and early development of both externalizing (i.e. manipulating behaviors, disrespect, aggression, etc.) and internalizing behaviors (i.e. isolating behaviors, anxiety, depression, etc.). The form will be available for all students; however, the district will adopt a triage process where the students with the highest scores will be nominated for immediate Tier 2 or Tier 3 supports. This process will happen twice per school year. Teachers will collect data and present this data to the School Leadership Team who will then create a master list of students in need of tiered supports. School staff as well as school and district based mental health professionals and community partners will facilitate interventions based on the needs of the students. All intervention plans will require parent notification.

IF YOUR CHILD NEEDS EXTRA HELP IN SCHOOL...

He/she may need additional services. The Individuals with Disabilities Act (IDEA) allows you and or their teacher to refer your student for evaluation. You will be a part of the evaluation and eligibility teams that determine eligibility and plan for programming to meet your students' needs.

- You may ask your students school to evaluate your child for free if you think they may need special educational services.
- If your student qualifies as a student with a disability, you will be a part of the Individual Education Plan (IEP) team to determine the services needed for your student.
- You will be provided with your procedural safeguards to inform you of what your rights are under IDEA.

IF YOUR CHILD IS PERFORMING AT A HIGH LEVEL

If your student has high grades, test scores or possibly a special talent, they may need the enrichment class for gifted students. You and or their teacher can refer them for evaluation. If your student meets the evaluation criteria as a gifted student you would be part of the Education Plan (EP) team to determine what services would address their needs. Your student would then receive instruction in an enrichment setting.

WHAT ARE ACCOMMODATIONS?

The term "accommodation" may be used to describe an alteration of environment, curriculum format, or equipment that allows an individual with a disability to gain access to general education curriculum or complete assigned tasks. Examples include but are not limited to extended time on assignments or assessments, breaks for movement, instruction in small group and possibly assistive technology. The IEP team will determine what accommodations each student requires to be successful. These accommodations will be included in the IEP and will be provided in all academic settings.

SECTION 504

In order to qualify for a 504 plan, the child must meet the criteria set forth in the federal law for identification as an individual with a disability: Section 504 defines a person with a disability as "any person who has a physical or mental impairment which substantially limits one or more major life activities". Section 504 requires agencies to provide individuals with disabilities an equal opportunity to participate in their programs and benefit from their services. Depending on a student's individual needs, services may include, but are not limited to, extended time on assignments and assessments, breaks, counseling, as well as training in study strategies, organizational skills, and time management.
