Dear Parent/Guardian,

You have been selected by the principal at your child's school and are invited to attend the District Family Engagement Committee for the Okeechobee County School District. Members of this committee will meet to consider and advise on current Family Engagement practices as well as plan for the 2019-2020 school year.

Students with involved parents are more likely to get good grades, take classes that are more challenging, have better attendance, and graduate. Family Engagement is essential to the success of our students and schools. Your views, concerns and input are valuable to our district and we welcome the opportunity to collaborate with you. The goal is to improve the educational experience of students and their families in order to promote learning and student success.

Please respond to me by email or phone to indicate whether you will be in attendance at the District Family Engagement Committee meeting which will be held on May 22nd at 6:00 PM in the Board Room of the Okeechobee County School Board Office.

Sincerely,

Trisha Jennings
