### Additional Makeup Windows

April 4-8, 2016	Regular Reporting
May 2-6, 2016	Late Wave Reporting

**Note:** Please remember the purpose of the additional makeup windows is to give students who transferred to the district after the ELA Writing administration, or students who missed the entire administration due to illness, etc., an opportunity to test so they may receive an ELA score. You may not delay testing for enrolled students, including virtual school students, until these windows. You should contact the Office of K-12 Accountability & Assessment immediately upon learning that any student at your site will need to test during one of these windows.
