POLICIES

Board Policies

Policies enacted by the School Board of Okeechobee County govern the operation of our schools. Topics not covered in this handbook may be located in related Board Policy. For an updated list of current Board policies, visit our website at <http://www.okee.k12.fl.us/board-policies>.

Principles of Professional Conduct for the Education Profession in Florida

Florida educators shall be guided by the following ethical principles:

- The educator values the worth and dignity of every person, the pursuit of truth, devotion to excellence, acquisition of knowledge, and the nurture of democratic citizenship. Essential to the achievement of these standards are the freedom to learn and to teach and the guarantee of equal opportunity for all.
- The educator's primary professional concern will always be for the student and for the development of the student's potential. The educator will therefore strive for professional growth and will seek to exercise the best professional judgment and integrity.
- Aware of the importance of maintaining the respect and confidence of one's colleagues, of students, of parents, and of other members of the community, the educator strives to achieve and sustain the highest degree of ethical conduct.

In addition, all employees of Okeechobee County Schools regardless of whether serving as a teacher, administrator or support staff member, are also responsible for conducting themselves according to the ethical principles provided in Appendix A. Violation of any of these principles shall subject the individual to discipline, up to and including termination, revocation or suspension of the individual educator's certificate, or other penalties as provided by law.

District staff members are required to report to the principal/supervisor of their school location and the Director of Human Resources alleged misconduct by district employees which affects the health, safety or welfare of a student. If the alleged misconduct to be reported is regarding the Director of Human Resources, the employee shall report the alleged misconduct to the Assistant Superintendent of Administrative Services. Failure to report such alleged misconduct shall result in appropriate disciplinary action. All employees are required to read the document on Professional Misconduct in its entirety. Please see Appendix B.

For the complete text of the relevant policy, see OCSB School Board Policies 6.56 and 6.58.

Confidentiality

The Family Educational Rights and Privacy Act (FERPA) and Health Insurance Portability and Accountability Act (HIPAA) require that student education records, including health records, be confidential. State law also exempts certain information and records from public disclosure. Individuals who have access to student education records may not remove them from school district property without express permission from their building principal or supervisor. An individual authorized to remove student education records from school property is responsible for the safety and security of the records and for returning them to the District intact.

A student's educational record and all personally identifiable information shall not be properly released except on the condition that the information being transferred will not be subsequently released to any other party without either first obtaining the consent of the parent or adult/eligible student, or as otherwise expressly permitted by law. The disclosed information may be used by the appropriate officials of the agency or institution to which the information was properly released, but only for the purpose for which the disclosure was made.

Individuals who have access to confidential information and records while employed by the School Board are reminded that their legal obligation to maintain such confidences extends beyond their term of employment in the District and they are prohibited from releasing, disclosing, or otherwise disseminating confidential information or records subsequent to leaving the School Board's employ.

For the complete text of the relevant policy, see OCSB School Board Policies 3.50 and 6.70.

Code of Ethics for Public Officers and Employees

The Code of Ethics for Public Officers and Employees adopted by the Legislature is found in Chapter 112 (Part III) of the Florida Statutes. The Code applies generally to all public officers and employees, state and local.

The Florida Commission on Ethics functions as an independent commission responsible for enforcing the Code, including investigating and issuing public reports on complaints of breaches of the public trust by public officers and employees. The Commission publishes a booklet that generally describes the provisions in Florida's ethics laws as well as the processes of the Commission, entitled "Guide to the Sunshine Amendment and the Code of Ethics for public Officers and Employees", which may be found on-line at <http://www.ethics.state.fl.us/>. Section III, B of the Guide provides information on Prohibited Employment and Business Relationships for public officers and employees.

The Commission also renders legally binding advisory opinions interpreting the ethics laws. A searchable database of Commission advisory opinions is available on the Commission's website at <http://www.ethics.state.fl.us/>. Any public officer, candidate for public office, or public employee in Florida who is in doubt about the applicability of the standards of conduct or disclosure laws to himself or herself, or anyone who has the power to hire or terminate another public employee, may seek an advisory opinion from the Commission about himself or herself or that employee. For more information on requesting an advisory opinion, please refer to the Commission's website or call the Commission at 850-488-7864.

Although it is a public employee's responsibility to know and comply with the Code, for questions regarding whether a particular situation presents a prohibited employment or business relationship, you may also direct questions to your principal or direct supervisor, who will contact legal counsel as needed. However, for a legally binding opinion, you must contact the Commission for an advisory opinion.

Antifraud Policy

The School Board of Okeechobee County will not tolerate fraud or the concealment of fraud. This policy applies to any fraud, suspected or observed, involving District employees, outside support organizations, vendors, contractors, volunteers, outside agencies doing business with the School Board, and any other persons or parties in a position to commit fraud on the School Board.

Fraud includes, but is not limited to, knowingly misrepresenting the truth or concealment of a material fact in order to benefit personally or to induce another to act to his/her detriment. Actions constituting fraud include but are not limited to:

- E. Causing the District to pay excessive prices or fees where justification is not documented;
- F. Unauthorized destruction, theft, tampering, or removal of records, furniture, fixtures, or equipment;
- G. Using District equipment or work time for any outside private business activity.

Any perceived fraud that is detected or suspected by any staff member or other person shall be reported immediately to the Superintendent or designee for guidance as to whether pursuit of an investigation is warranted. If the perceived fraudulent activity involves a School Board member or the Superintendent, the report should be made to the School Board Attorney. The obligation to report fraud includes instances where an employee knew or should have known that an incident of fraud occurred. Reports of known or suspected fraud may be made anonymously by telephone, email, inter-office mail, or U.S. Postal Service. Any investigation required shall be conducted without regard to the suspected wrongdoer's length of service, position/title, or relationship. Investigations shall be conducted in a confidential manner.

Violation of this policy may result in disciplinary action, termination of employment, termination of contract, or legal action.

Individuals who, in good faith, report suspected fraudulent activity will not be subject to retaliation as a result of reporting the actual or suspected misconduct. The Superintendent, a Board member or any District official shall not sign and/or transmit any report regarding employee misconduct to a state official that

he/she knows to be false or incorrect. An individual who knowingly makes a false or incorrect report shall be subject to disciplinary action as prescribed by Florida Statute.

For the complete text of the relevant policy, see OCSB School Board Policy 7.65.

Supervision of Family Members

In order to promote a more open, productive environment for education where all students, parents, faculty, and staff can feel free to take their concerns or questions to their administrative personnel, no worksite shall have a person with administrative responsibilities supervising one of their family members. Further, no person shall be hired or transferred into a position, which will cause that employee to directly supervise or be directly supervised by another family member.

For purposes of this rule, “family member” shall be defined as: mother, father, son, daughter, brother, sister, spouse, and in-laws of the same.

For the complete text of the relevant policy, see OCSB School Board Policy 6.41.

Reporting Child Abuse and Neglect

As a public employee and a role model to students, instructional personnel, support personnel, and school administrators have a duty, at all times, to immediately report known or suspected child abuse or neglect to the Florida Department of Children and Families Toll-Free Hotline (**1-800-962-2873**).

In accordance with Section 39.201, Florida Statutes, any person who knows, or has reasonable cause to suspect, that a child is abused, abandoned, or neglected by a parent, legal custodian, caregiver, or other person responsible for the child’s welfare, or that a child is in need of supervision and care and has no parent, legal custodian, or responsible adult relative immediately known and available to provide supervision and care shall report such knowledge or suspicion to the Department of Children and Families (DCF) Central Abuse Hotline at **1-800-962-2873** or <https://reportabuse.dcf.state.fl.us/>.

Instructional personnel, support personnel, and school administrators may report such information to DCF in unison, but reporting to another school employee does not fulfill the legal obligation to report to DCF. A

person who is required by statute to report known or suspected abuse or neglect and fails to do so, is subject to disciplinary action by the employer, by the State Department of Education and/or through criminal prosecution. Failure of a professionally mandated reporter (i.e. teachers and other school officials) to report child abuse to DCF is a third degree felony.

In Section 39.01(2), Florida Statutes, the term “abuse” means any willful act or threatened act that results in any physical, mental, or sexual injury or harm that causes or is likely to cause the child’s physical, mental, or emotional health to be significantly impaired. Abuse of a child includes acts or omissions. Corporal discipline of a child by a parent or legal custodian for disciplinary purposes does not in itself constitute abuse when it does not result in harm to the child.

In Section 39.01(50), Florida Statutes, an act of “neglect” occurs when a child is deprived of, or is allowed to be deprived of, necessary food, clothing, shelter, or medical treatment or a child is permitted to live in an environment when such deprivation or environment causes the child’s physical, mental, or emotional health to be significantly impaired or to be in danger of being significantly impaired.

In Section 39.01(54), Florida Statutes, “other person responsible for a child’s welfare” includes the child’s legal guardian or foster parent; an employee of any school, public or private child day care center, residential home, institution, facility, or agency; a law enforcement officer employed in any facility, service or program for children that is operated or contracted by the Department of Juvenile Justice; or any other person legally responsible for the child’s welfare in a residential setting; and also includes an adult sitter or relative entrusted with the child’s care.

In accordance with Section 39.203, Florida Statutes, any person who reports in good faith any instance of child abuse, abandonment, or neglect to the Department of Children and Families or any law enforcement agency, shall be immune from any civil or criminal liability which might otherwise result by reason of such action.

For the complete text of the relevant policy, see OCSB School Board Policies 5.325, 6.57, and 6.58.

Bloodborne Pathogen & Infection Control

In concern for the well-being of each employee and student, the School Board of Okeechobee County has mandated bloodborne pathogen training for all new employees. Staff should be knowledgeable about the conditions that spread Hepatitis B, HIV, and other infectious diseases and be aware of their rights and the rights of others when disease is involved.

Certain positions within the school district have been identified as having a somewhat greater hazard of contracting Hepatitis B or other infectious diseases. These positions are:

1. Exceptional Student Education (ESE) teachers and paraprofessionals
2. Health paraprofessionals and school nurses
3. Custodians
4. All maintenance workers
5. Bus drivers and bus assistants who transport ESE students
6. All athletic coaches

Those persons in the above six (6) categories are obligated to take initial training upon hire and annual training thereafter in Safe Schools for Biomedical Waste Program or BBP. Contact the Administrative Services Office at 863-462-5000 ext. 1061 for additional information on the vaccine and Safe Schools training programs.

In addition, all employees shall self-report in writing to the Director of Human Resources any conviction, finding of guilt, withholding of adjudication, or commitment to a pretrial diversion program or entering a plea of guilty or nolo contendere for any criminal offense other than a minor traffic violation within forty-eight (48) hours after the final judgment and provide a copy of the final disposition.

It is a condition of your continued employment with the School Board of Okeechobee County, that you will comply with School Board policies 6.45 and 6.57 and that you will notify your supervisor of your conviction of any criminal drug statute for a violation occurring in the workplace, no later than 48 hours after such conviction. Any employee who violates the terms of the School Board’s Drug-Free Workplace Policy may be non-renewed or his or her employment may be suspended or terminated. However, at the discretion of the School Board, any such employee may be allowed to satisfactorily participate in and complete a drug abuse assistance or rehabilitation program approved by the School Board in lieu of non-renewal, suspension, or termination. Sanctions and discipline against employees, including non-renewal, suspension and termination shall be in accordance with prescribed District procedures and shall be commenced within thirty (30) days of receiving notice of an employee’s conviction. Within ten (10) days of receiving notice of an employee’s conviction in violation of this rule, the Superintendent shall notify the State and Federal Department of Education.

The School Board of Okeechobee County is required to report an employee conviction of drug violations occurring in the workplace to the State and Federal Department of Education within ten (10) days of receiving such notice and is also required to commence disciplinary action against such employees within thirty (30) days of receipt of the notice of violation.

1. A drug-free awareness program is hereby established, and is to be implemented by the Superintendent, to inform employees of the dangers of drug abuse in the workplace, of the School Board's policy of maintaining a drug-free workplace, of available drug counseling, rehabilitation, and assistance programs, and of the penalties to be imposed upon employees for drug abuse violations occurring in the workplace. As part of this program, all employees and applicants for employment shall be given notice of the School Board's policy regarding the maintenance of a drug-free workplace.
2. No employee of the School Board shall manufacture, distribute, dispense, possess or use on or in the workplace any alcoholic substance, any intoxicating or auditory, visual, or mental altering chemical or substance or narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana or any other controlled substance, as defined by Federal or State law or rule or any counterfeit of such drugs or substances all being collectively referred to as drugs.

In the event there is a question regarding the employee's ability to safely and effectively perform assigned duties while using such medication, clearance from a qualified physician may be required.
- b. **Search of School Board property** - The School Board reserves the right to search, without employee consent, all areas and property in which the School Board maintains control or joint control with the employee. The Board may also notify the appropriate law enforcement agency that an employee may have illegal drugs in his/her possession.
- c. **Refusal to be tested** - Refusal to submit immediately to an alcohol or drug analysis when requested by appropriate administrative or law enforcement personnel, or refusal to submit to a search of personal properties if requested by law enforcement personnel, may constitute insubordination and may be grounds for discipline up to and including termination.
- d. **Under the influence** - Employees reasonably believed to be under the influence of alcohol or drugs shall be prevented from engaging in further work and shall be detained for a reasonable time until he/she can be safely transported from the work site.
- e. **Handicapped status** - The Board is committed to providing reasonable accommodations to those employees whose drug or alcohol problem classifies them as handicapped under federal or state law.
- f. **Employee assistance** - The Board has established a voluntary Employee Assistance Program (EAP) to assist those employees who voluntarily seek help for alcohol or drug problems. Employees should contact their immediate supervisor, Risk Management/Employee Benefits or an EAP counselor for additional information.

3. **Applicants for Employment** - Pre-employment drug screening will be required of all applicants prior to being awarded employment with the Okeechobee County School Board. The term “applicant” refers to a person who has applied for a position with the Okeechobee County School Board and has been offered employment conditioned upon successfully passing a drug test.

4. **Administrative Responsibilities and Guidelines:**
- a. Administrative personnel are responsible for reasonable enforcement of this policy.
 - b. Administrative personnel may request that an employee submit to a drug or alcohol test when he/she has a reasonable suspicion that an employee is intoxicated or under the influence of drugs or alcohol while on the job.
 - c. “Reasonable suspicion” is a belief based on objective facts sufficient to lead a reasonably prudent administrator to suspect that an employee is under the influence of drugs or alcohol so that the employee's ability to perform the functions of the job is impaired or so that the employee's ability to perform his/her job safely is reduced.
Reasonable suspicion includes, but is not limited to, the following examples:
 - i. Observable phenomena while at work, such as direct observation of alcohol or drug use or of the physical symptoms or manifestations of being under the influence of alcohol or a drug. Physical symptoms or manifestations include, but are not limited to, slurred speech, alcohol odor on breath, unsteady walking and movement, physical altercations, verbal altercations, or unusual behavior.
 - ii. Abnormal conduct or erratic behavior while at work or a significant deterioration in work performance.
 - iii. A report of alcohol or drug use provided by a reliable and credible source.
 - iv. Evidence that an individual has tampered with an alcohol or drug test during their employment.
 - v. Information that an employee has caused, contributed to, or was involved in an accident while at work.
 - vi. Evidence that an employee has used, possessed, sold, solicited or transferred drugs or attempted to use, possess, sell, solicit or transfer drugs.
 - d. Any administrator requesting an employee to submit to a drug or alcohol test should document in writing the facts constituting reasonable suspicion.
 - e. Any administrator encountering an employee who refuses an order to submit to a drug or alcohol analysis upon request shall remind the employee of the requirements and disciplinary consequences of this policy. Where there is reasonable suspicion that the

employee is under the influence of alcohol or drugs, the administrator should arrange for the employee to be safely transported to a collection site or home.

- f. Administrators shall not physically search the person of employees, nor shall they search the personal possession of employees without their freely given written consent, and in the presence of the employee.
- g. Administrators shall notify the Superintendent or their designee when they have reasonable suspicion to believe that an employee may have illegal drugs in his/her possession or in an area not jointly or fully controlled by the School Board. If the Superintendent or her designee concurs that there is reasonable suspicion of illegal drug possession, he/she shall notify the appropriate law enforcement agency.

5. Results of Drug or Alcohol Analysis:

- a. A positive result from a drug or alcohol analysis may result in employee disciplinary action, up to and including termination.
- b. If a drug or alcohol screen is positive, the employee shall receive a second analytical procedure run on a sample that was positive on the initial screening test.
- c. If an alcohol or drug test is positive, the Superintendent or their designee shall conduct an investigation to gather all facts. The decision to discipline shall be based on this investigation.
- d. Within five (5) working days after receiving notice of a positive confirmed test result, the employee shall be allowed to submit information explaining or contesting the test results. If the employee's explanation is unsatisfactory, the Superintendent or her designee will provide a written explanation as to why, along with a copy of the report of positive results within fifteen (15) working days of receipt of explanation or challenge. All such documentation shall be kept confidential by the School Board and shall be retained for at least one year.

Violence in the Workplace

No person shall commit any act of violence, intimidation, abuse or harassment in the workplace.

No persons shall engage in behavior, whether verbal or non-verbal, that is reasonably interpreted as primarily motivated to harass, intimidate, unreasonable annoy, or threaten another in the work place. Without limiting the types of behavior that may violate the harassment and bullying policies of the School Board, examples include prolonged staring or other behaviors that are unusual and are not explainable by medical conditions or other outside factors that are beyond the control of the employee (and where such prolonged staring is reasonably interpreted as primarily being for improper purpose) bumping or other unwelcome or unwarranted touching, prolonged hovering in close proximity to another, where it may be reasonably interpreted that the primary purpose of hovering over the other person is for an improper purpose, and absurd or unusual facial expressions where it may be reasonably interpreted that the primary motivation is an improper purpose.

The rules of behavior outlined in all existing school Board policies and laws apply to workplace violence. The workplace violence shall supplement existing school board policies and not replace them. Accordingly, all rules, laws and regulations governing equity, equal employment opportunity, job performance, and behavior shall apply and will be enforced. The term workplace shall apply in the broadest sense to any place the job performance is implicated including but not limited to, any owned facility or operated by the Board; travel to and from school facilities or approved professional leave or attendance at any school sponsored function. Tobacco-Free Workplace

The School Board is committed to providing students, staff, and visitors with an indoor/outdoor tobacco-free environment. The negative health effects of tobacco use for both users and nonusers, particularly in connection with second hand smoke, are well established. Further, providing an indoor/outdoor tobacco-free environment is consistent with the role-modeling responsibilities of teachers and staff for our students.

For purposes of this policy, "use of tobacco" shall mean all uses of tobacco, including cigars, cigarettes, pipe tobacco, chewing tobacco, snuff, clove cigarettes, blunts, hookah, or any other matter or substances that contain tobacco and the possession of papers used to roll cigarettes. Electronic cigarette (e-cigarette) means any oral device that provides a vapor of liquid nicotine, lobelia, and/or other substance and the use or inhalation of which simulates smoking. The term shall include any such devices, whether they are manufactured, distributed, marketed, or sold as e-cigarettes, e-cigars, e-pipes, vapes, or under any other product name or descriptor.

To protect students and staff who choose not to use tobacco from an environment noxious to them, and because the School Board does not condone the use of tobacco, the School Board prohibits the use of tobacco or electronic cigarettes at any time within any indoor/outdoor facility owned or leased or contracted for by the School Board.

The School Board also prohibits the use of tobacco or electronic cigarettes anywhere on the campus of any facilities owned or leased or contracted for by the School Board, including, but not limited to, practice fields, playgrounds, football fields, baseball fields, softball fields, pool areas, soccer fields, tennis courts, and all open areas.

Equal Opportunity and Commitment to Diversity

Okeechobee County Schools is committed to creating and maintaining a workplace in which all employees have an opportunity to participate and contribute to the success of the school district and are valued for their skills, experience, and unique perspectives.

Okeechobee County Schools provides equal employment opportunities to all employees and applicants for employment without regard to race, color, ancestry, national origin, gender, sexual orientation, marital status, religion, age, disability, gender identity, results of genetic testing, or service in the military. Equal employment opportunity applies to all terms and conditions of employment, including hiring, placement, promotion, termination, layoff, recall, transfer, leave of absence, compensation, and training.

Okeechobee County Schools expressly prohibits any form of unlawful employee harassment or discrimination based on any of the characteristics mentioned above. Improper interference with the ability of other employees to perform their expected job duties is absolutely not tolerated.

Any employees with questions or concerns about equal employment opportunities in the workplace are encouraged to bring these issues to the attention of the Director of Human Resources. Okeechobee County Schools will not allow any form of retaliation against individuals who raise issues of equal employment opportunity. If an employee feels he or she has been subjected to any such retaliation, he or she should bring it to the attention of the Director of Human Resources.

Retaliation means adverse conduct taken because an individual reported an actual or perceived violation of this policy, opposed practices prohibited by this policy, or participated in the reporting and investigation process described below. "Adverse conduct" includes but is not limited to:

1. Shunning and avoiding an individual who reports harassment, discrimination or retaliation;
2. Express or implied threats or intimidation intended to prevent an individual from reporting harassment, discrimination or retaliation; or

Harassment and Bullying

Sexual and other unlawful harassment is a violation of Title VII of the Civil Rights Act of 1964, as amended, as well as many state laws. Harassment based on a characteristic protected by law, such as race, color, ancestry, national origin, gender, sex, sexual orientation, gender identity, marital status, religion, age, disability, veteran status, or other characteristic protected by state or federal law, is prohibited.

It is Okeechobee County Schools' policy to provide a work environment free of sexual and other harassment. To that end, harassment of Okeechobee County Schools' employees by management, supervisors, coworkers, or nonemployees who are in the workplace is absolutely prohibited. Further, any retaliation against an individual who has complained about sexual or other harassment or retaliation against individuals for cooperating with an investigation of a harassment complaint is similarly unlawful and will not be tolerated. Okeechobee County Schools will take all steps necessary to prevent and eliminate unlawful harassment.

Definition of Unlawful Harassment. "Unlawful harassment" is conduct that has the purpose or effect of creating an intimidating, hostile, or offensive work environment; has the purpose or effect of substantially and unreasonably interfering with an individual's work performance; or otherwise adversely affects an individual's employment opportunities because of the individual's membership in a protected class.

Unlawful harassment includes, but is not limited to, epithets; slurs; jokes; pranks; innuendo; comments; written or graphic material; stereotyping; or other threatening, hostile, or intimidating acts based on race, color, ancestry, national origin, gender, sex, sexual orientation, marital status, religion, age, disability, veteran status, or other characteristic protected by state or federal law.

Definition of Sexual Harassment. While all forms of harassment are prohibited, special attention should be paid to sexual harassment. "Sexual harassment" is generally defined under both state and federal law as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature where:

- Submission to or rejection of such conduct is made either explicitly or implicitly a term or condition of any individual's employment or as a basis for employment decisions; *or*
- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment.

Other sexually oriented conduct, whether intended or not, that is unwelcome and has the effect of creating a work environment that is hostile, offensive, intimidating, or humiliating to workers may also constitute sexual harassment.

While it is not possible to list all those additional circumstances that may constitute sexual harassment, the following are some examples of conduct that, if unwelcome, may constitute sexual harassment depending on the totality of the circumstances, including the severity of the conduct and its pervasiveness:

- Unwanted sexual advances, whether they involve physical touching or not;
- Sexual epithets, jokes, written or oral references to sexual conduct, gossip regarding one's sex life, comments about an individual's body, comments about an individual's sexual activity, deficiencies, or prowess;
- Displaying sexually suggestive objects, pictures, or cartoons;
- Unwelcome leering, whistling, brushing up against the body, sexual gestures, or suggestive or insulting comments;

- Inquiries into one's sexual experiences; *and*
- Discussion of one's sexual activities.

All employees should take special note that, as stated above, retaliation against an individual who has complained about sexual harassment and retaliation against individuals for cooperating with an investigation of sexual harassment complaint is unlawful and will not be tolerated in Okeechobee County Schools.

Complaint Procedure. Any employee who believes he or she has been subject to or witnessed illegal discrimination, including sexual or other forms of unlawful harassment, has the ability to make a complaint. You may complain directly to your immediate supervisor or department manager, the Director of Human Resources, the Assistant Superintendent of Administrative Services, or any other member of management with whom you feel comfortable bringing such a complaint. Any employee of the Okeechobee County School Board must make a report when he or she has notice of sexual harassment, including sexual assault. The requirement for an employee to make such a report extends to all aspects of the school's education program or activity and applies to any building owned or controlled by the Okeechobee County School Board.

No reprisal, retaliation, or other adverse action will be taken against an employee for making a complaint or report of discrimination or harassment or for assisting in the investigation of any such complaint or report. Any suspected retaliation or intimidation should be reported immediately to one of the persons identified above. Survivors are protected against retaliation when they choose to report sexual misconduct or not, file a formal complaint or not, participate in a grievance process or not. Furthermore, survivors are protected against bullying or harassment throughout the grievance process.

All complaints will be investigated promptly and, to the extent possible, with regard for confidentiality. If the investigation confirms conduct contrary to this policy has occurred, Okeechobee County Schools will take immediate, appropriate, corrective action, including discipline, up to and including immediate termination.

For the complete text of the relevant policy, see OCSB School Board Policies 3.33 and 5.321.

Employee Complaint Procedure (Discrimination & Harassment)

This grievance procedure exists to provide formal resolution of complaints. It does not prohibit the informal adjustment of any complaint. Although pursuit of an informal adjustment is not a valid reason for missing a filing deadline, a timely filed complaint may be continued by consent of the parties in order to allow pursuit of an informal adjustment.

The School Board will vigorously enforce its prohibition against discrimination/harassment based on race, color, national origin, religion, sex, age, disability marital status, sexual orientation, or genetic information (and any other protected classes), and encourages those within the District community as well as third parties, who feel aggrieved to seek assistance to rectify the problems. The Board will investigate all allegations of discrimination/harassment and in those cases where unlawful discrimination/harassment is substantiated the Board will take immediate steps to end the discrimination/harassment. Individuals who are found to have engaged in unlawful discrimination/harassment will be subject to appropriate disciplinary action.

Confidentiality. The right to confidentiality, both of the complainant and of the accused, will be respected, consistent with the Board’s legal obligations, and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred, to the extent possible.

For the complete text of the relevant policy, see OCSB School Board Policies 6.55, 3.33, 5.321 and 6.43.

PROCEDURES

Organizational Structure

It may be helpful for you to understand the structure of the organization of which you are a part. The Okeechobee County School Board, after considering recommendations submitted by the Superintendent, determines policies and programs, adopts rules and regulations, prescribes minimum standards and performs other such duties as necessary for the improvement of the educational programs for students.

The School Board is composed of five members elected in a county-wide election every four years on a rotating basis. Each member represents the district boundary in which he or she lives.

Any person or group wishing to be placed on the agenda in order to address the school Board shall file with the Superintendent eight (8) days before the meeting at which an audience is desired, a written request asking to be placed on the agenda and giving the following information: a) Name and address of person or group; b) Name of persons or organization represented; and c) Subject matter to be discussed.

Okeechobee County Schools maintains and operates according to published policies and procedures. All policies and many procedures are also available on the District's website. It is very important that you understand that as an employee of the District you are responsible for reviewing, understanding, and complying with all policies and procedures of the District. Failure to do so will subject you to disciplinary action up to and including termination.

For the complete text of the relevant policy, see OCSB School Board Policies 2.11 and 2.20.

Employment Vacancies

Instructional and non-instructional vacancies are normally advertised for five (5) working days (ten (10) working days for administrative positions) on the District's applicant tracking system. Applications for positions are submitted online. For information concerning job vacancies, visit the district's web site at <http://www.okee.k12.fl.us> and click on "Apply Now".

Applicants with any existing criminal background will be asked to supply information concerning that criminal background. If the nature of the criminal background is determined to be incompatible with the duties of the position in question, the individual will not be hired. Failure to accurately disclose a previous criminal background and disposition on an application is grounds for termination, regardless of when falsification is determined.

For the complete text of the relevant policy, see OCSB School Board Policies 6.102 and 6.103.

Personnel Recommendations

The Superintendent of Schools makes all personnel recommendations to the School Board for final approval. All personnel recommendations to the Superintendent are made as follows:

1. The building Principal makes school based recommendations.
2. The assigned Director or Supervisor makes departmental or district office based recommendations.

For the complete text of the relevant policy, see OCSB School Board Policy 6.102.

Acceptance of Contract

Acceptance of a contract assumes an obligation on the part of the employee to complete the term of the contract. Probationary employees may be dismissed without cause or may resign without their resignation constituting a breach of contract. All new non-instructional personnel will be considered to be in probationary status for one calendar year from the first day of employment. Pursuant to Florida Statute Section 1012.335(1), instructional employees are under probationary contract for a period of one (1) school year upon hire with the District or following a rehire after a break in service for which an authorized leave of absence was not granted.

Instructional and classified personnel may refer to the OCEA (Okeechobee County Education Association) Collective Bargaining Contract for their respective bargaining units.

For the complete text of the relevant policy, see OCSB School Board Policy 6.18.

Salary Credit for Related Past Experience

New employees may receive salary credit for related past work experience. Work experience for salary purposes is based upon previous employment experience in a related position with similar duties.

It is the responsibility of the employee to furnish the Human Resources Department with all documentation necessary to evaluate prior experience. The following information must be included:

1. Dates of employment, to include beginning and ending day, month, and year. (Example: Beginning 01/01/99; Ending 12/01/99)
2. Number of hours worked per week. (Example: 20 hours per week or 40 hours per week etc.)
3. Description of duties. **JOB TITLES ALONE ARE NOT SUFFICIENT TO DETERMINE PRIOR EXPERIENCE.** If a job description is not available, then a written statement of general job duties or responsibilities must be submitted. In order to grant prior experience, the previous job duties/responsibilities must be substantially similar.
4. The total number of working days in each of the prior years of employment (for instructional or administrative experience only).
5. The overall evaluation rating for each of the prior years of employment (for instructional or administrative experience only).

It is the responsibility of the employee to send the verification forms to former employers and follow up to see that they have been returned in a timely manner. Forms for verifying past experiences are available upon request from the Human Resource Department. Verification forms must have the school seal or be notarized. The person furnishing past experience verification cannot be related to the employee. The verification must be received by the school district within ninety (90) days of employment in order for the salary credit to be awarded.

For the complete text of the relevant policy, see OCSB School Board Policy 6.30.

Definition of a Year's Experience for Instructional Employees

A year's experience is defined as one-half of a work year plus one day. Such experience must be full-time, continuous, and must be teaching under contract experience. One year is the maximum experience, which can be granted in any one fiscal year.

Certification for Teachers

All teachers must hold a valid Florida certificate issued by the State Department of Education. Each teacher must register his/her certificate, each extension and each renewal of, or addition to the certificate in the Human Resources Department as soon as the State Department grants same. It is the individual responsibility of the employee to maintain proper certification in his/her teaching field and keep such certification valid and updated.

Teachers who have not yet been issued a valid Florida certificate, but have applied for certification and have shown sufficient proof to the Human Resources Department to justify issuance of a certificate, will be paid on the expected basis of the certificate for which they have applied.

For the complete text of the relevant policy, see OCSB School Board Policy 6.19.

Calendar/Holidays

The student calendar for each year is set by the School Board. Paid holidays for members of the two bargaining units are set as part of the contract negotiations each year. The calendar (including paid holidays) for employees who are not members of one of the bargaining units is established by the School Board. As a part of your orientation, you will receive a copy of the current calendar.

The calendar, which is adopted annually by the Board, establishes paid and non-paid holidays to be observed during the year.

The Board provides six (6) paid holidays for instructional employees to include the following: Labor Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King Jr.'s Birthday, and Memorial Day.

Non-instructional and non-bargaining employees paid holidays are as follows: Labor Day, Thanksgiving Day and the day after, Christmas Day, New Year's Day, Martin Luther King, Jr.'s Birthday.

The following non-paid holidays may be observed each year:

- Good Friday
- Fourth of July
- Presidents' Day

Work Day

The length of the workday is established according to employee classification.

- The normal workday for non-instructional employees is eight (8) hours per day, forty (40) hours per week with exceptions for paraprofessionals, transportation employees, school food service workers, and hourly employees. The normal eight-hour day does not include the lunch period. All non-exempt employees are required to take breaks as provided for in the Collective Bargaining Agreement.

The schedule for these hours is set by the school principal, site administrator or supervisor. No overtime is to be worked by non-instructional employees without the prior permission of the site administrator. Most non-instructional, non-administrative employees are subject to the provisions of the Fair Labor Standards Act. Compensatory time for overtime work may be granted by an administrator provided that (1) the work that is being compensated was approved and recorded prior to performance and (2) no more than forty (40) hours of compensatory time can be accumulated within a fiscal year. Compensatory time may be taken up to one full day but cannot be granted for more than one full day at a time. Employees falling under the Fair Labor Standards Act will be paid for any accrued compensatory time at the end of the fiscal year.

Attendance

Regular attendance and punctuality are of utmost importance for individual success, as well as for the smooth and efficient operation of the school system. All employees are expected to be present during all working hours. Absence without prior approval from an administrator or supervisor, chronic absences, absences without paid leave, habitual tardiness or abuse of designated working hours are all considered neglect of duty and will result in disciplinary action up to and including termination. **No staff member is permitted to leave**

earlier than the designated time unless he or she has notified and has permission from a supervisor or designee.

Employees terminating their employment who are not eligible to transfer accumulated sick leave within the state of Florida may receive terminal pay as follows:

Leaves of Absence

Unpaid Sick Leave or Personal Leave Without Pay

All district employees requesting unpaid leave will be required to complete the unpaid leave request form and submit it to their supervisor for approval. When requesting a Personal Leave Without Pay, the employee must write a letter addressed to the Superintendent documenting the reason for the request and submit this letter to the Human Resources Department. In the case of medical leave, the request must be accompanied by a physician's statement.

A Personal Leave Without Pay can be requested for a period of up to twelve (12) months. At the end of this time period, the employee may request an extension to the leave for a period of up to twelve (12) additional months.

To be approved to return to work from an approved unpaid and/or extended leave for their own illness or injury, an OCSB employee must submit a Fit for Duty form completed by their physician or health care provider.

For the complete text of the relevant policy, see OCSB School Board Policy 6.23.

Personal Leave with Pay

Six (6) days of accrued sick leave may be used for the employee's personal business provided the employee cannot take more than five (5) personal days consecutively. An employee planning to use personal leave must request and receive approval from his/her supervisor at least one day (1) in advance. The supervisor may waive the one (1) day advance approval requirement in cases of legitimate emergency.

For the complete text of the relevant policy, see OCSB School Board Policy 6.23.

Unauthorized Leave of Absence

If an employee's request for leave of absence is disapproved and the employee takes unauthorized leave, the supervisor shall place the employee on leave without pay and after an absence for four (4) consecutive work days shall consider the employee to have abandoned the position and resigned from the District.

For the complete text of the relevant policy, see OCSB School Board Policy 6.22.

The Family and Medical Leave Act of 1993

The Family and Medical Leave Act (FMLA) provides eligible employees with up to twelve (12) weeks of unpaid, job-protected leave for certain family and medical reasons during a twelve (12) month period. Employees are eligible if they have worked for the Okeechobee County School Board for at least one (1) year and for at least 1,250 hours during the 12-month period immediately preceding the commencement of leave.

Reasons for Taking FMLA Leave:

Unpaid FMLA leave must be granted for any of the following reasons;

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition, or;
- For a serious health condition that makes the employee unable to perform the employee's job.

At the School Board's discretion, certain kinds of paid leave may be substituted for unpaid leave.

Advance Notice and Medical Certification for FMLA Leave

You may be required to provide advance leave notice and medical certification. Taking of leave may be denied if requirements are not met. Typically, you must provide thirty (30) days advance notice when the leave is “foreseeable.”

The School Board may require medical certification to support a request for leave because of a serious health condition, and may require second or third opinions (at the Board’s expense) and a fitness for duty report to return to work.

Job Benefits and Protection

For the duration of FMLA leave, your health coverage under any group health plan will be maintained, but you will be required to make any ordinarily required co-payments.

Upon return from FMLA leave, you will normally be restored to your original or equivalent position with equivalent pay, benefits, and other employment terms.

The use of FMLA leave cannot result in the loss of any employment benefits that accrued prior to the start of your leave.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to interfere with, restrain, or deny the exercise of any right provided under FMLA. Or to discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement:

The U.S. Department of Labor is authorized to investigate and resolve complaints of violations. An eligible employee may bring a civil action against an employer for violations.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

For additional information contact the nearest office of the Wage and Hour Division, listed in most telephone directories under U.S. Government, Department of Labor.

Family and Medical Leave Act for the Families of Service Members

The National Defense Authorization Act provides additional FMLA leave for military families. This law adds two (2) new FMLA-qualifying events, expanding FMLA to include employees caring for an injured service member as well as family members who have a family member called to active duty.

Please note that the test for whether an employee is “eligible” for either of the following types of leave is the same for other FMLA leave. Under the law, FMLA-eligible employees are entitled to the following:

Family Leave Due to a Call to Active Duty

This benefit provides 12 weeks of FMLA leave due to a qualifying exigency arising out of the active military duty or notice of impending call or order to active duty of an employee’s spouse, parent or child.

Caregiver Leave for an Injured Service member

This benefit provides 26 weeks of FMLA leave during a single 12-month period to an employee who is the spouse, parent, child or nearest blood relative caring for a recovering service member.

Domestic Violence Leave

Effective July 1, 2007, Florida Statute Section 741.313 provides leave for employees who are victims of domestic violence. Employees must have been employed for at least three (3) months to be eligible. Eligible employees are required to exhaust all available leave before using the leave provided for under this law unless the employer waives this requirement.

Employees can take up to three (3) days of unpaid leave in any 12 month period if the employee, or a family or household member of the employee, is the victim of domestic violence. Some situations under the Domestic Violence Leave may also qualify as FMLA leave, and both could run concurrently.

Leave can only be sought to: seek an injunction for protection against domestic violence; obtain medical care or mental health counseling; obtain services from a victim-services organization; make the employee's home secure or find new housing; or to seek legal assistance to address issues arising from an act of domestic violence and attend court-related proceedings arising from the act of domestic violence.

Florida Retirement System and Social Security

All employees of the Board in a regularly established position are members of the Florida Retirement System. Please note that all information regarding the FRS is subject to change based on FRS guidelines/laws.

Pension Plan

The 2011 Legislature passed Senate Bill 2100 that made changes to the Florida Retirement System (FRS). The bill, which has been signed into law by Governor Rick Scott, is effective July 1, 2011. Many changes were proposed during the 2011 session; the changes that became law are listed below.

Employee Contributions

Effective July 1, 2011, except as noted below, you will contribute 3% of your salary as retirement contributions, on a pre-tax basis (your salary is reduced by the amount of the employee contribution before determining the federal income tax deduction).

- If you are a **Deferred Retirement Option Program (DROP) participant** or a **reemployed retiree** who is not allowed to renew membership you will not be required to make 3% contributions.
- Members must be terminated for 3 calendar months to be eligible to receive a refund of employee contributions.

Deferred Retirement Option Program (DROP)

- If you have an effective DROP begin date on or after **July 1, 2011**, you will have an annual interest rate of **1.3%**.

Cost-of-Living Adjustment (COLA)

- If your effective retirement date or DROP begin date is before **August 1, 2011**, you will not have a change in the 3% COLA paid each July.
- If you have an effective retirement date or DROP begin date on or after August 1, 2011, you will have an individually calculated COLA that is a reduction from 3% using the following formula:
 - The total years of service before July 1, 2011, divided by the total years of service at retirement. Multiply this number by 3% to get your COLA.

For example: a member who retires effective July 1, 2012, with 30 years of service of which 29 years occurred before July 1, 2011:

$$29/30 = .9667 \times 3\% = 2.9\%$$

This member will receive a 2.9% COLA each July.

Members First Enrolled in the FRS before July 1, 2011

- **Vesting** for Pension Plan benefit eligibility will be after the completion of 6 years of creditable service.
- The average final compensation (AFC) used in calculating retirement benefits will be the highest 5 fiscal years of salary.
- The definition of “normal retirement date” is:
 - Members of the Regular Class, Senior Management Service Class and Elected Officers’ Class will reach their normal retirement date:

- a. The first day of the month in which the member reaches age 62 and is vested; or
- b. The first day of the month following the date the member completes 30 years of creditable service, regardless of age.

Members First Enrolled in the FRS on or after July 1, 2011

- **Vesting** for Pension Plan benefit eligibility will be after the completion of 8 years of creditable service.
- The average final compensation (AFC) used in calculating retirement benefits will be the highest 8 fiscal years of salary.
- The definition of “normal retirement date” is changed:
 - Members of the Regular Class, Senior Management Service Class and Elected Officers’ Class will reach their normal retirement date:
 - a. The first day of the month in which the member reaches age 65 and is vested; or
 - b. The first day of the month following the date the member completes 33 years of creditable service, regardless of age before age 65.

If you have questions on these changes, please call MyFRS toll free at 844-377-1888. There are disability benefits for those who are totally and permanently disabled and FRS pension plan members.

Investment Plan

- Vesting for the Investment Plan requires 1 year of service with an FRS Employer. Any benefit you transfer from the Pension Plan to the Investment Plan will still be subject to either the Pension Plan’s 6-year or 8-year vesting requirement, rather than the Investment Plans’ 1-year vesting requirement.
- To compare the Vesting requirement visit https://myfrs.com/FRSPro_ComparePlan_Vesting.htm

Retirement Election

New employees have the ability to choose either the Pension plan or Investment plan upon hire. **Your plan choice deadline is 4:00 p.m. ET on the last business day of the eighth month following your month of hire.** If you do not submit a plan choice by your deadline, the Investment Plan will be considered your 1st Election by default.

Transfer between Plans

The FRS continues to offer a **2nd election** to transfer membership between plans. If you have a 2nd election available and transfer to the Investment Plan, and depending on your years of vested service, you will not be vested in the amount transferred from the Pension Plan until you have the qualified years of service credit under the FRS. If you terminate employment with less than the qualified years of service credit, you could forfeit the amount transferred from the Pension Plan and any related investment returns. If you have questions about using your 2nd election, please call the MyFRS Financial Guidance Line at (866) 446-9377, Option 2. MyFRS online information can be found at <https://www.myfrs.com/Vesting.htm>

Social Security

All members of the Florida Retirement System are required by state law to be covered under Social Security, and contributions for social security are automatically deducted from earnings. The Board matches these contributions. The local Social Security office provides information regarding Social Security eligibility and benefits.

Voluntary Retirement Savings Accounts

Okeechobee County School Board offers 403(b), 457(b) and 401(K) approved retirement savings accounts available for payroll deduction. Enroll at www.tsacg.com/individual/plan-sponsor

Employees may choose from several types of 403(b), Roth 403(b), and 457 voluntary savings plans for retirement savings. These savings plans are a valuable retirement savings option offered through the District and are available to all employees immediately upon hire with the exception of private contractors, School Board members and student workers.

Upon enrollment, participants designate a portion of their salary they wish to contribute to their account up to their maximum annual contribution. Contributions are generally on a pre-tax basis and are made through payroll deduction, thereby reducing the participant's taxable income. Taxes on contributions and any earnings are deferred until the participant withdraws the funds.

Social Security Number Management

Social security numbers shall be collected only when allowed by law or when necessary for the performance of the school system's duties.

The Okeechobee County School Board will collect and use your social security number only if specifically authorized by law to do so or when it is imperative for the performance of its duties and responsibilities as prescribed by law.

An applicant, employee, vendor, or volunteer's social security number may be required for:

- Employment Application

- Department of Homeland Security Federal I-9 form
- Federal W4, W2, 1099 and other IRS documents

- Other purposes specifically required or authorized by local, state, or federal law

A social security number shall be considered confidential and exempt from public inspection in accordance with Florida Statutes. Social security numbers may be disclosed to another agency or governmental entity only if it is necessary for the receiving entity to perform its responsibilities.

Student social security numbers are confidential and will only be released in accordance with the consent requirement set forth at Section 1002.22, Florida Statutes, or as otherwise provided by law.

Professional Judgment

Professional judgment is needed when interacting with students. Many problems educators and support staff have encountered could have been avoided if they used common sense and rational judgment. Below are some suggestions to avoid legal complications:

1. Maintain a professional barrier between you and students at all times. You are the adult and professional and should act as such not as one of the kids.
2. Do not leave students unsupervised.
3. Keep the classroom door open when talking with students individually.
4. Do not flirt with students.
5. Do not discuss your personal life or personal matters with students. Do not discuss your husband, wife, girl/boyfriend, or dates with students.
6. Keep your hands and other parts of your body to yourself. Use verbal praise and reinforcement.
7. Do not socialize with students. It is strongly recommended that you do not “friend” students on Facebook, Instagram, Twitter, etc.
8. Do not drink alcoholic beverages in front of your students.
9. Do not take students home with you.
10. Do not drive a student home. If there is an emergency situation and you must transport a student, have another OCSB staff member with you.
11. Do not make telephone calls, text, or write notes of a personal nature to students.

Supervision of Students

When an employee of the Okeechobee County School District is responsible for supervising students, it shall be the duty of the employee to maintain an orderly environment. At no time should students be left without supervision. In addition, employees should constantly scan the area for which they are responsible and circulate in order to ensure all students are supervised. In the event any student misbehavior occurs during this time, appropriate steps should be taken to ensure that this misbehavior stops immediately.

Salary for Personnel

Most instructional salaries are based upon a seven and one-half (7½) hour day, 196-day contract year. Certain instructional positions are required to work an eight-hour day. Employees who work over or under their contracted time may have their salaries adjusted accordingly, based on the Fair Labor Standards Act.

Annual salary is based upon placement on the Board Approved Instructional Salary Schedule. Employees are paid bimonthly. Bimonthly gross pay is calculated by dividing the annual salary amount by 26. For example, an annual salary of \$37,000 divided by 24 equals a bimonthly gross amount of \$1,541.67.

Overpayments - In the event that an employee is overpaid, the employee may be required to repay any unearned amounts. The Payroll Office will contact the employee with specific information.

For the complete text of the relevant policy, see OCSB Policy 6.30.

Supplements for Personnel

Supplemental positions are posted upon availability. A list of all supplemented positions and the stipend amount are published in the OCSB Salary Schedule.

If a supplement is not budgeted at the school site, no bargaining unit member will be required to fill an unfunded supplement position. A bargaining unit member may choose to serve as a volunteer, but there will be no penalty for declining to volunteer.

Suspension and Dismissal

Under certain conditions, a supervisor may recommend suspension or dismissal of an employee. The grounds for immediate suspension or dismissal shall include but not be limited to the following:

1. Immorality as determined by a court of competent jurisdiction
2. Gross insubordination
3. Willful neglect of duty
4. Incompetence
5. Misconduct in office
6. Substance abuse including alcohol
7. Conviction of any crime involving moral turpitude

Upon termination, employees will receive a copy of the District's "Separation of Employment" form. This form will be used to ensure that separated employees are aware of who to contact in order to receive appropriate information related to payroll, benefits, and exit interviews. A copy of this form is located in the appendix.

For the complete text of the relevant policy, see OCSB Policy 6.52.

Temporary Employees

At times, the school district hires employees under a temporary status to replace full-time employees who are on approved leave. These individuals are hired for the time of leave only. When the employee on leave returns to work, the temporary employment shall end.

Transfers

Employees may request transfers based on advertised vacancies. In the event the transfer is to be effective with the new school year, the current principal's approval is not required.

Use of District Vehicles

Workers' Compensation (Accidents, Injuries and Illness at Work)

Beginning on their first day of work, all employees, substitutes and registered volunteers are covered under the OCSB's workers' compensation program when an injury or illness is sustained as a result of employment or volunteering during a school sponsored activity.

All on-the job accidents, injuries, or illnesses must be immediately reported to the employee's supervisor after they occur. The accident forms (O-PEST-18 and/or O-PE-18) should be completed on the day of the accident and forwarded to the Administrative Services Office. Illness-in-the-line-of-duty leave is available for those employees injured on the job due to an employment related accident or illness. Employees may receive Illness-in-the-line-of-duty leave for up to ten (10) working days per school year, when placed out of work by their workers' compensation authorized physician.

Illness-in-the-line-of-duty leave is paid by the OCSB and is not deducted from the employee's sick leave bank. If an employee is unable to return to work following a compensable workers' compensation injury, the OCSB will continue to provide employer contributions for up to six (6) months for your core benefits which includes medical, dental, vision, life insurance, and Employee Assistance Program (EAP). The employee is required to continue to pay their share for these core benefits and any supplemental benefits while out on workers' compensation leave. For more detailed information, please refer to the OCSB website at <http://www.okee.k12.fl.us> or contact the Administrative Services Office.

If the employee is authorized to return to work by their Workers' Compensation physician, but cannot perform all of the essential job functions or duties of their job, the Risk & Employee Benefits Department may attempt to provide a temporary light duty assignment for the employee. Light duty assignments are temporary in nature and are meant to provide the injured employee with a way to remain in an active employment status until the resolution of his/her injury is finalized.

All employees are advised that any person who knowingly and with intent to injure, defraud, or deceive any employer or employee, insurance company, or self-insured program, files a statement of claim containing false or misleading information, is guilty of a felony of the third degree. Okeechobee County Schools will take fraudulent claims seriously and will prosecute to the fullest extent permitted by law.

EMPLOYEE RIGHTS UNDER THE FAMILY AND MEDICAL LEAVE ACT

THE UNITED STATES DEPARTMENT OF LABOR WAGE AND HOUR DIVISION

LEAVE ENTITLEMENTS

Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within one year of the child's birth or placement);
- To care for the employee's spouse, child, or parent who has a qualifying serious health condition;
- For the employee's own qualifying serious health condition that makes the employee unable to perform the employee's job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee's spouse, child, or parent.

An eligible employee who is a covered servicemember's spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the servicemember with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

Employees may choose, or an employer may require, use of accrued paid leave while taking FMLA leave. If an employee substitutes accrued paid leave for FMLA leave, the employee must comply with the employer's normal paid leave policies.

While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual's FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

BENEFITS & PROTECTIONS

ELIGIBILITY REQUIREMENTS

An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave;* and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

*Special "hours of service" requirements apply to airline flight crew employees.

REQUESTING LEAVE

Generally, employees must give 30-days' advance notice of the need for FMLA leave. If it is not possible to give 30-days' notice, an employee must notify the employer as soon as possible and, generally, follow the employer's usual procedures.

Employees do not have to share a medical diagnosis, but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection. Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

EMPLOYER RESPONSIBILITIES

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

ENFORCEMENT

Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.
