

Account Settings

From any page on the site, you can click My Account in the upper right corner. Here, you can update settings like your contact information and check the “Show Google Translator in Family Access” box if you’d like to use the translator on the site. (The translator is located beneath My Account on the home page).

In My Account you can manage your email notification preferences. You can choose to receive various attendance, grade, progress report, and low food service balance notifications. You can also manage the frequency of these alerts and the method through which you receive them (Family Access or email).
