The screenshot shows the Florida Department of Education logo at the top left. The header area includes the text "FLORIDA DEPARTMENT OF EDUCATION" and "fldoe.org". On the right side of the header, it says "Logged in as" followed by a "Logoff" link. The main content area is titled "Update Default Registration Information" and contains the following text: "Enter your new password and press 'Save'." and "Your new password must contain the following:" followed by a bulleted list:
 

- a minimum of (8) characters
- must not be the same as your user id
- must not be a variation of your user id

 Below the list are three input fields labeled "Old Password:", "New Password:", and "Confirm Password:". A blue "Save" button is located in the bottom right corner of the form area.

- You will be taken to the following screen. The last name is automatically populated. **Do not make any updates to the name shown in the last name field. If your name has changed since you last applied, you must update that information in an application.** You must make sure to enter your social security number and date of birth. Click "Next" to continue.

The screenshot shows the Florida Department of Education logo at the top left. The header area includes the text "FLORIDA DEPARTMENT OF EDUCATION" and "fldoe.org". On the right side of the header, it says "Logged in as Turnip, Happy" followed by a "Logoff" link. The main content area is titled "Initial Onboarding - Linking to Existing Licenses" and contains the following text: "Please provide your Individual Licensee Information to support linking your online account to existing license records" and "If you are having difficulties onboarding please click on the link to contact the applicable agency to complete your onboarding process. The form area is titled "Individual Licensee information" and contains the following fields:
 

- Last Name: Turnip (pre-populated)
- SSN: (with a help icon) Full digits of SSN
- SSN (confirm): Full digits of SSN
- Date of Birth: (mm/dd/yyyy)

 A blue "Next" button is located in the bottom right corner of the form area.

After you click "next" the system will search for existing licenses. You will see one of the following screens:

9. You will see “**Initial Onboarding – No Matching License Found**” if the system was not able to match the information you entered to a file in our system. Click “**Next**” to continue on to the Quick Start Menu to view the information on file and/or begin a new application.

10. You will see “**Initial Onboarding –Matching License Results**” if your information is found. Your name will be listed, your License Types (Educator Certification, Athletic Coaching, etc.) will be shown, as will your License Status and your License number. Select “**I Confirm . . .**” and then click “**Next**”.

**If you have never been issued a license and only held an Official Statement of Status of Eligibility, the license number will not be displayed. Only your name and “Indiv/Org Number” will be displayed along with the License Type that you applied for. You may contact our office to confirm that this record is yours if you would like, but there should be no issues if the SSN and date of birth were entered correctly on the previous screen.**

After you have completed the onboarding process you will be routed to the Quick Start Menu. If you see “Initial Onboarding – No Matching License Found” your Quick Start Menu will look like this:

The screenshot shows the Florida Department of Education's Quick Start Menu. At the top left is the logo with the text "FLORIDA DEPARTMENT OF EDUCATION fdoe.org". On the right, it says "Logged in as /" and provides links for "Update Profile", "Logoff", and "Contact Us". The main content area is titled "Quick Start Menu" and includes the instruction: "To start choose an option and you will return to this Quick Start menu after you have finished." A "License Information" box on the right states "No License Information Available". The menu is divided into sections: "Start a New Application" with a "What are you applying for?" dropdown (set to "<Select Board>") and a "Choose Application" dropdown with a "Select" button; "Additional Activities" with buttons for "Authorized Representative", "Add Licenses To Registration", and "View Exam Results", each with a "Select" button.

If you see “Initial Onboarding –Matching License Results” and confirm the information, your Quick Start Menu will be similar to the screen below. The page will show each License Type (Educator Certificate, Athletic Coaching, and/or Speech Language Impaired, or Exchange Teacher).

This screenshot shows the Quick Start Menu after matching license results. The header and navigation are identical to the previous screen. The "Quick Start Menu" section contains the same instruction. The "License Information" box on the right now displays two entries: "License Number: #9, License Type: 5 Year Athletic Coaching" and "License Number: #9, License Type: 5 Year Renewable Professional", each with a "Show Details" button. The "Start a New Application" section is now titled "Manage your license information" and lists two existing licenses: "5 Year Athletic Coaching #9" and "5 Year Renewable Professional #9", each with a "Choose Application" dropdown and a "Select" button. Below this, the "Start a New Application" section is restored with the "What are you applying for?" dropdown and "Choose Application" dropdown with a "Select" button. The "Additional Activities" section remains the same with buttons for "Authorized Representative", "View Documents" (with a search input field), "Add Licenses To Registration", and "View Exam Results", each with a "Select" button.
