

Welcome to ConnectED

ConnectED is your gateway to your online curriculum resources. This document explains how to access ConnectED and what certain features do.

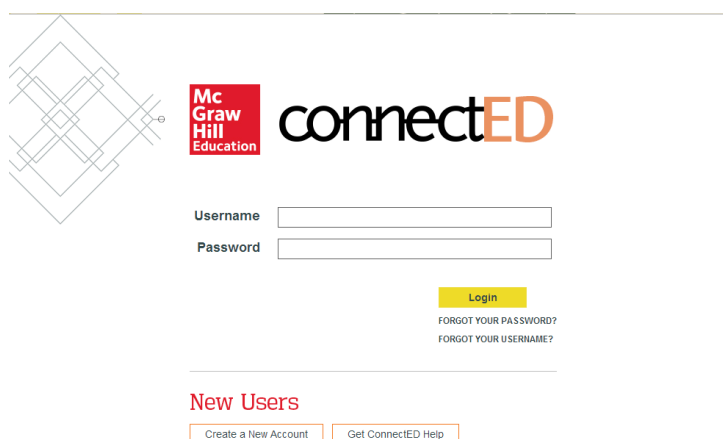

Logging In

To log in to your content, you will need a Username and Password. For all of our music courses, you can log in with the following:

Username: **flmusicstu**

Password: **fldemo2015**

1. Go to <http://connected.mcgraw-hill.com> for the ConnectED Login screen.

2. Enter your Username and Password and click Login to display your Books and Content page.
3. Select the book you would like to preview. Spotlight on Music has the grade level listed for each of the elementary titles. Voices in Concert is the middle and high school choir program and you will see each of the levels listed.

4. Your Student Center lets you open your class information, as well as other materials.

Click **ConnectED** to return to your Books and the Content page.

Preview another grade level lesson by clicking any teacher here.

Resources: The online tools that are connected to the lesson.

Click "Start Lesson" to view today's lesson.

Try it yourself! Use these virtual instruments to practice your skills!

The screenshot shows the McGraw-Hill Education Music Studio interface. At the top, there's a header with the McGraw-Hill Education logo and the title "MUSIC STUDIO". Below the header is a navigation menu with options like "ConnectED", "Assessments", "Resources", and "My Home". The main content area is titled "Today's Lesson" and features a list of teachers: "K-Brown", "Ms. Moree's 3rd...", "Ms. Carroll's 4t...", and "Florida Choral ...". Below this, there's a section for "Lesson 1: Lower and Higher" with a "START LESSON" button. To the right of the lesson section is a "Resources" panel showing "My Oak Tree (Stereo Mix)". At the bottom, there's a "Virtual Instruments" section with three interactive instrument icons: "VIRTUAL INSTRUMEN...", "VIRTUAL WIND INSTR...", and "VIRTUAL BRASS INST...".
